**A RESOLUTION**

A Resolution of the Council of Allegheny County, Pennsylvania, made pursuant to the Local Economic Revitalization Tax Assistance Act (“LERTA”), Pa. Stat. Ann. tit. 72, § 4722 *et seq.* (1995), as amended, providing for: a program of temporary exemption from increases in Allegheny County Real Property Taxes, for specified time periods, resulting from improvements made by an owner of property located within Ward 2, the Strip District neighborhood within the City of Pittsburgh, County of Allegheny, Commonwealth of Pennsylvania, previously determined to be a deteriorated area; establishing a schedule for exempting increases in Allegheny County property taxes resulting from such improvements; and prescribing the requirements and procedures by which an owner of property located within the deteriorated area can secure the temporary exemption resulting from such improvements.

**Whereas**, Pennsylvania’s Local Economic Revitalization Tax Assistance Act, Pa. Stat. Ann. tit. 72, § 4722 *et seq.*, (1995), as amended, (hereinafter referred to as “LERTA”) authorizes local taxing authorities to enact a program whereby any increases in the assessed valuation of real property for the assessment and levying of real property taxes that is attributable to improvements made by the owner of an industrial, commercial, and other business property located within the geographic confines of a local taxing authority area determined to be deteriorating can be temporarily exempted based upon a schedule establishing the portion of the assessed valuation of the improvements to be exempted within a particular year after the improvements have been made; and

**Whereas**, on December 13, 2011, City Council enacted an ordinance supplementing the Pittsburgh Code, Title Two Fiscal, Article IX Property Taxes, Chapter 267, Exemptions for Industrial and Commercial Improvements, Section 267.03 Exemption Schedule, by adding a new section (e) Local Economic Stimulus, to adopt a new exemption schedule for all applications filed for projects with a building permit that is issued during the period of January 1, 2012 through June 30, 2012 as to which a building permit has been issued reflecting a cost in excess of One Million Dollars (\$1,000,000) for the improvements or construction; and

**Whereas**, on June 19, 2012, City Council enacted an ordinance amending the Pittsburgh Code, Title Two Fiscal, Article IX Property Taxes, Section 267.03 Exemption Schedule, (e) Local Economic Stimulus, by amending certain language in subsection (e) to change the deadline for filing from June 30, 2012 to June 30, 2017; and

**Whereas**, City Council’s LERTA Ordinance requested Pittsburgh School District and the County of Allegheny to enact similar legislation establishing a LERTA program to temporarily exempt increases in assessed valuation resulting from improvements made to industrial, commercial, and other business property within the deteriorated area described in Exhibit A from School District and County real property taxation; and

**Whereas**, the Council of the County of Allegheny finds that the implementation of a LERTA program to temporarily exempt increases in assessed valuation resulting from improvements made to industrial, commercial, and other business property within the deteriorated area described in Exhibit A from County real property taxation would contribute to the general welfare of the citizens of Allegheny County by spurring economic activity and development.

(a) Application for Exemption. A Property Owner desiring the Exemption pursuant to this Resolution shall make application for the Exemption by completing a form proscribed by the Office.

(b) Requested Information. On the application form, Property Owner shall provide all information pertaining to the Project and the Exemption as may be necessary to process such application for Exemption. Such

information that may be requested on the form shall include, but not necessarily be limited to, the following:

  3. The initial Assessed Valuation of the Deteriorated Property or Properties.
  4. The current year County taxes on the Deteriorated Property or Properties.
  5. The date on which the City issued a building permit for the Improvements.
  6. The description of the Improvements that the Property Owner intends to make as part of the Project.
  7. The anticipated date of completion of the Improvements.

The Property Owner shall file the Exemption application form with the Office no later than ninety (90) days from the date that the City issues a building permit for the Improvements to be made as part of the Project. Failure to submit the completed Exemption application form within this time period shall give the County the right to deny any Exemption claimed pursuant to this Resolution for the initial tax year after completion of the Improvements, thereby limiting the Exemption Term to less than the ten (10) year period established under this Resolution.

- (d) Time Limitation on Completion of Improvements. No Exemption shall be granted if the Property Owner does not complete the Improvements by the end of the third calendar year following the year that the City issued the initial building permit for the Improvements.
- (e) Notification of Completion of Improvements. When the Improvements have been completed, the Property Owner shall notify the Office in writing. Such notice shall occur within ninety (90) days of completion. Failure to submit such written notice within this time period shall permit the County the right to deny any Exemption claimed pursuant to this Resolution for the initial tax year after completion of the Improvements, thereby limiting the length of the schedule of taxes exempted to less than the Exemption Term established under this Resolution. The notice of completion shall include the following information:
1. Name and address of the Property Owner.
  2. Block and Lot Number of the Deteriorated Property or Properties for which the Exemption is sought.
  3. The date that the Improvements were completed.

- (f) Assessment and Notice of Assessed Valuation. The Office shall provide to the County and the Property Owner the following information in writing:
1. The Assessed Valuation of the Deteriorated Property prior to the Improvements.
  2. The increase in Assessed Valuation attributed to the actual costs of the Improvements to the Deteriorated Property undertaken or made by the Property Owner in conjunction with a Project.
  3. The amount of the increased or additional Assessed Valuation eligible for Exemption.

the Assessed Valuation attributable to the actual costs of the Improvements to the Deteriorated Property undertaken or made by the Property Owner in conjunction with a Project that is eligible for Exemption, the Property Owner shall cooperate with the County's efforts to determine the overall effectiveness of the LERTA Program. Property Owner agrees to complete and return a LERTA Performance and Evaluation Report to the County's Department of Economic Development within the deadline established by the County. Failure to complete and return the LERTA Performance and Evaluation Report shall constitute a disqualifying event under Section 5 (c) of this Resolution.

- (h) Treasurer's Action. The Treasurer shall not bill the Property Owner for County real estate taxes that are attributable to the actual costs of the Improvements to the Deteriorated Property undertaken or made by the Property Owner in conjunction with a Project. If warranted, the Treasurer shall exonerate any increase in Assessed Valuation attributable to the actual costs of the Improvements to the Deteriorated Property undertaken or made by the Property Owner in conjunction with a Project and shall refund any increased County taxes paid by the Property Owner resulting from the increase in Assessed Valuation attributable to the Improvements. The Treasurer, however, shall not exonerate or refund any County taxes if Disqualifying Event as described in Section 5 (c) above should occur.
  
- (i) Rights of Appeal Preserved. Appeals from the amount of increased or additional Assessed Valuation attributable to the actual costs of the Improvements to the Deteriorated Property undertaken or made in conjunction with a Project may be taken by the Property Owner or by any Local Taxing Authority as provided by Article 210 of the Administrative Code of the County, the Second Class County Assessment Law, 72 P.S. § 5452.1 *et seq.*, the General County Assessment Law, 72 P.S. § 5020-101 *et seq.*, and other applicable laws of the Commonwealth of Pennsylvania or ordinances or regulations of the County. Nothing herein shall preclude the Property Owner or any Local Taxing Authority from appealing the Assessed Valuation of the Deteriorated Property not attributable to the actual costs of the Improvements to the Deteriorated Property undertaken or made in conjunction with a Project as provided by Article 210 of the Administrative Code of the County, the Second Class County Assessment Law, 72 P.S. § 5452.1 *et seq.*, the General County Assessment Law, 72 P.S. § 5020-101 *et seq.*, and other applicable laws of the Commonwealth of Pennsylvania or ordinances or regulations of the County.

**SECTION 7.           Transferability.**

The Exemption authorized by this Resolution shall remain with the Deteriorated Property and shall not terminate upon the sale, exchange, or other alienation of such property unless otherwise provided.

**SECTION 8.           Intergovernmental Cooperation Agreement.**

If required, the proper officials of the County are hereby authorized to enter into an intergovernmental cooperation agreement pursuant to the Intergovernmental Cooperation Act, 53 P.C.S.A. § 2301 *et seq.*, with the City and the School District to implement the Exemption established under this Resolution. The intergovernmental cooperation agreement shall be subject to review and approval as to form by the County Solicitor.

**SECTION 9.           Rules and Regulations.**

The provisions of this Resolution shall apply to all applications filed from and after the effective date hereof and shall remain in effect for a period of ten (10) years.

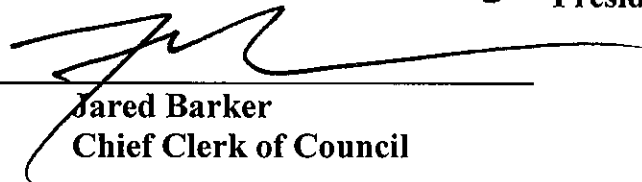

**SECTION 11.         Severability. *If any provision of this Resolution shall be determined to be unlawful, invalid, void or unenforceable, then that provision shall be considered severable from the remaining provisions of this Resolution which shall be in full force and effect.***

**SECTION 12.         Repealer. *Any Resolution or Ordinance or part thereof conflicting with the provisions of this Resolution is hereby repealed so far as the same affects this Resolution.***
