

APPOINTMENT

Approving the reappointment of Lynn Heckman to serve as a member of the Southwestern Pennsylvania Commission for a term to expire on December 31, 2018.

SPONSORED BY CHIEF EXECUTIVE FITZGERALD

In Council Feb. 17th, 2015.

Read and approved by Motion of Council.

John P. DeFazio
President of Council

Attest: 

Jared Barker
Chief Clerk
Allegheny County Council

COUNTY OF

ALLEGHENY

RICH FITZGERALD
COUNTY EXECUTIVE

January 15, 2015

Honorable President and Members
Allegheny County Council
119 Courthouse
436 Grant Street
Pittsburgh, PA 15219

Dear President and Members of Council:

Please find the attached resume of Lynn Heckman, whom I am recommending for reappointment to the Southwestern Pennsylvania Commission.

The SPC is the primary transport planning organization for the Southwestern Pennsylvania region. I am recommending that Ms. Heckman serve another 4 year term, which will expire on December 31, 2018.

Ms. Heckman is currently a Senior Consultant at CDR Maguire. She holds a bachelor's degree from the University of Pittsburgh and a Master's degree the University of Pittsburgh's Graduate School of Public and International Affairs.

I appreciate your consideration, and ask you to act as quickly as possible. Mr. Macey will make herself available for review before the appropriate committee if members of Council wish to speak with her.

RECEIVED
JAN 15 10:28 AM
ALLEGHENY COUNTY
COUNCIL

Sincerely,

Rich Fitzgerald
Allegheny County Executive

CC: Lynn Heckman

CURRENT ACTIVITIES: 2013-2015

Part-time Senior Consultant at CDR Maguire:

CDR Maguire is a full-service national engineering services firm, using the newest innovations and technologies to drive results, from architecture, design and emergency management to transportation. CDR Maguire local office is on Pittsburgh's North Shore.

- Assist Rhode Island-based Emergency Management Services Director with PA marketing.
- Help governments prevent, prepare for, respond to and recover from any incident; natural or manmade.
- Assist municipal staff with response to disaster emergencies including:
 - damage assessment
 - application for assistance within tight timeframes while maximizing reimbursement.
 - prepare FEMA & state project worksheets and related permitting.
 - assist with mitigation and recovery projects, and their management. includes: tracking, cost controls, state and federal assistance, contract close-outs and records retention.

VOLUNTEER:

- **Pittsburgh Botanic Garden Tour Guide**
- **Collier Township Parks and Recreation - board member**
- **Continued to serve on SPC Board and Executive Committee post-retirement**

PROFESSIONAL EXPERIENCE AT ALLEGHENY COUNTY: 1977-2012

- ◆ Transportation planning
 - ◆ Transportation funding/programming
 - ◆ Regional planning
 - ◆ Strategic & comprehensive planning
 - ◆ Private-Public Partnerships
 - ◆ Land planning & development
 - ◆ Economic development
 - ◆ Airport planning
 - ◆ Public policy & programs
 - ◆ Project management & development
- Transportation planning, programming and funding for all modes including highway, bridge and transit. Researched, developed and utilized creative finance and innovative project delivery options for transportation infrastructure projects.
 - Assisted in conceptualization, programming, funding, coordination and delivery of highway, bridge & road projects, including new capacity, maintenance and development-related access. Provided integrated planning of highway transportation projects and program related funds with PENNDOT, SPC and FHWA. Transportation initiatives were targeted to retain and grow the current economy, support new economic development and to maintain good access and a high quality of life for residents of the region.
 - Coordinated with County Executive, Public Works, SPC, PennDOT, PA Turnpike Commission, Port Authority Allegheny County (PAAC), transportation management associations (TMAs), City of Pittsburgh, local municipalities, counties in the MPO region, citizens and other stakeholders, to program state and federal funds on the Transportation Improvement Program (TIP), and to assist with their initiatives.
 - Participated in regional planning activities serving as Allegheny County's "planning partner" to the metropolitan planning organization (MPO); the Southwestern Pennsylvania Commission (SPC). Coordinated SPC transportation and regional planning activities with other County departments, authorities, local municipalities, developers and various economic development and planning agencies. Worked with

PROFILE

Presto, PA 15142

SPC on studies, projects and funding, including the TIP and Unified Planning Work Program (UPWP).

- Oversaw & approved monthly TIP funds transfers for Allegheny County portion of District-11 funds. Planned, programmed and funded projects onto the (TIP) and Long-Range Transportation and Economic Development Plan (LRP) and PennDOT 12-Year Plan (STIP) through actions at monthly Transportation Technical Committee (TTC) meetings. TTC partners track, provide oversight and approve billion of dollars for the TIP. Supported context-sensitive design, complete streets and value engineering.
- Spearheaded and managed *AlleghenyPlaces* - the first Allegheny County Comprehensive Plan. Transportation highlights for *AlleghenyPlaces* were establishing transportation needs of the County through priority-setting, strategies and implementation for the *AlleghenyPlaces* transportation element. Coordinated with the County Executive, County Public Works, SPC, PennDOT, PA Turnpike Commission, PAAC, TMAs, local municipalities, regional partners, citizens and other stakeholders. And, proceeded with action items for the "*AlleghenyPlaces*" transportation element action plan including:
 - Managed "*West Busway Transit-Oriented Development Plan*"
 - Managed "*ActiveAllegheny*" Plan
 - Managed County Executive's "*Transportation Action Partnership*" (TAP), including planning and project development activities for transit upgrades from Downtown-to-Oakland and In-and-Around Oakland. Determined funding options, preferred alignments and legislative adjustments needed for public/private partnership (P3) projects and design, build, finance, operate and maintain (DBFOM) delivery.
 - Worked with partners/team to program, fund & coordinate County highway, bridge & road projects, including new capacity, maintenance and developer related access.
 - Researched federal and state transportation legislation and programs. Prepared funding proposals, grant applications and requests for state and federal transportation funding opportunities. Applied for, received and administered foundation grants.
