RE: Board Appointment
Allegheny County Board of Property Assessment Appeals and Review

Dear Mr. Macey:

You may recall three years ago, I was re-appointed to serve my second term with the Allegheny County Board of Property Assessment Appeals and Review.

The last three years have passed quickly. I know that I have learned a great deal and thus benefitted from the appointment. I have brought to the Board my knowledge and skills as a Municipal Attorney, with a practice in Eminent Domain. I believe that I have served faithfully and contributed positively to the workings of the Board. This year, with the support and confidence of the other Board Members, I was appointed as the Board's Chairman. As Chair, I strive to ensure fairness and consistency to the work performed by the Board.

It is my understanding that persons with expiring terms are to inform the Council of interest in serving again. I believe that my term expires in September of 2014. This letter is to state my interest in and willingness to be considered for serving another term. I am enclosing my resume for reference.

Respectfully submitted,

Amy R. Schrempf
