Dennis Johns

117 Evergreen Drive
Natrona Heights, Pennsylvania, 15065
Cell: (724) 889-3265

Experience:

OEM Inc., Ford City, Pennsylvania 2011 – 2013

Production Supervisor

- Directly supervised 40-50 production, shipping, and support staff on the production floor for a 10/5 production schedule.
- Handled all production scheduling, evaluated finish product quality, filled customer orders, and coordinated all finished product packaging for outgoing shipments.
- Reviewed submitted applications, interviewed candidates, identified new trainees, and maintained employment levels to match production needs.
- Coordinated physical plant maintenance, equipment maintenance, housekeeping maintenance, and plant security.

PPG Harmar Glass Coatings Plant, Harmar Township, Pa. 2010 – 2011

- Member of R&D Team (coatings) achievement recognized for work done at the PPG Harmar facility and the PPG Industries Mount Zion, Illinois facility.

II-VI Incorporated, Saxonburg, Pennsylvania 2005 – 2009

MPZ Off-shift Production Supervisor:

- Directly supervised 5 Crew Supervisors, 42 CVD Operators and 12 H²Se Operators for a 24/7 production schedule.
- Responsible for quality, production efficiencies, standardization and cost effective production in all MPZ processes.
- Increased Department manpower by 25% to meet increased production demands. Reviewed submitted applications, interviewed candidates, and consulted with human resources to identify new trainees.
- Established a dept. production record in October, 2008 while maintaining quality assurance. Established a dept. safety record for same period with no recordable injuries.

ATI Allegheny Rodney, Exton, Pennsylvania 2003 – 2005

Production Supervisor:

- Provided direct management oversight for 25 machine operators and support staff on the production floor for a 15/5 production schedule.
- Handled all production scheduling, evaluated finished product quality, and coordinated all finished product packaging for outgoing and incoming shipments.
- Initiated a supply chain control system (Visual Plant Concept) to eliminate waste and generate cost savings
- Coordinated a workforce safety program, performed weekly safety audits, conducted safety meetings and safety training sessions

- Coordinated physical plant maintenance, equipment maintenance, housekeeping maintenance and plant security.

ATI Allegheny Ludlum Inc., Brackenridge, Pennsylvania

1995 – 2003

Metallurgical Technologist:

- Evaluated production lab worksheets for chemistry, microstructure properties and mechanical properties.
- Released product for delivery in compliance with customer specifications, quoted customers, identified rework procedures for non-conforming material and submitted processing instructions for implementation on the shop floor.

Quality Specialist:

1993 - 1995

- Trained and audited production personnel on quality requirements and inspection procedures.
- Developed and implemented cause and corrective action programs and short term data analysis.

Mr. Dennis Johns
117 Evergreen Drive
Natrona Heights, PA 15065

Dear Mr. Johns:

This letter is to inform you that at the Regular Meeting of Allegheny County Council held on July 5, 2016 Council approved your appointment to serve as a member of the Council of Friends to Harrison Hills Park for a term to expire on July 5, 2018.

We congratulate you on your appointment and wish you the best of luck in this undertaking. We look forward to receiving your recommendations and stand willing to assist you in any way you believe appropriate.

Yours truly,

A handwritten signature in blue ink, appearing to read 'Nicholas W. Futules', is written over a light blue horizontal line.

Nicholas W. Futules
District 7 Representative

cc: Andy Baechle, Director, Allegheny County Parks Department
