Re: Council of Friends, Harrison Hills Park
Date: November 7, 2008

Dear Mr. Burn,

I am writing in request of consideration in becoming a member of the Council of Friends of Harrison Hills Park. I have been active as a volunteer with the parks group for approximately two years, volunteering at park events and adopting a trail. As a young girl growing up in the area, I was part of the Jr. Naturalist program, under the supervision of John Greiner. This experience led me to pursue a degree in Parks and Recreation which I completed from Slippery Rock University in 1987. While I have not worked in the field of Parks and Recreation, the outdoors has continued to be a passion for me. I have participated in classes through the Tom Brown Wilderness School and feel that through my combined experiences, I can positively contribute to the growth and further development of programs offered at Harrison Hills.

I have attached a professional resume for your review. Thank you in advance for your consideration.

Sincerely yours,

Amy Trulik
