Dear Council Members:

Please find the attached resume of Dr. Walter Goldberg, whom I am recommending for appointment to the Air Pollution Control Advisory Committee ("Air Pollution Committee").

The Air Pollution Committee recommends to the Board of Health additions and changes to the rules and regulations, and advises the Department and Board of Health on matters relative to the control of air quality in Allegheny County. Dr. Goldberg would fill a vacated position on the Committee. His term would end on December 31, 2002.

Dr. Goldberg is a past member of and is a current alternate on the Air Pollution Committee. He is also a past member of the Pennsylvania Air and Water Technical Advisory Committee (AWQTAC) and has served on several other advisory groups. He has served the Air Pollution Committee well as a past member and alternate and would therefore bring valuable experience to this Committee.

I appreciate your consideration and ask you to act on this appointment as quickly as possible. Dr. Goldberg will make himself available for review before the full Council or the appropriate committee if members of Council wish to speak with him.

Sincerely,

A handwritten signature in dark ink, appearing to read "Jim Roddey".
