Dear Council Members:

Please find the attached resume of Kate Tomayko, whom I am recommending for reappointment to the Air Pollution Control Advisory Committee.

The Air Pollution Control Advisory Committee currently operates under Section 2101.07 of Article XXI of the Allegheny County Health Department. I am recommending that Ms. Tomayko serve another 1 year term, which will expire on December 31, 2008.

Ms. Tomayko is a program specialist for the American Lung Association of Pennsylvania, where she works with Allegheny County and other surrounding Counties on behalf of the American Lung Association to strengthen their regional impact through environmental advocacy and lung health education.

I appreciate your consideration, and ask you to act on this appointment as quickly as possible. Ms. Tomayko will make herself available for review before the appropriate committee if members of Council wish to speak with her.

Sincerely,

Dear Mr. Thompson,

Per our conversation this afternoon, I am writing to recommend that Kate Tomayko be appointed to the Allegheny County Air Pollution Control Advisory Committee on behalf of the American Lung Association. Due to changes in job responsibilities, my position no longer focuses on environmental issues for the American Lung Association. Ms. Tomayko now serves as Program Specialist for Allegheny and surrounding counties and has participated in recent Air Advisory Committee meetings as my alternate. Due to these position changes, we feel that Ms. Tomayko would best represent the American Lung Association as a seated board member of the Air Advisory Committee.

The American Lung Association is honored to have a seat on the Advisory Committee, and we look forward to continuing to work with you and with the other Committee members to protect the health of all residents of Allegheny County.

Ms. Tomayko can be reached directly via e-mail at ktomayko@lunginfo.org or by phone at 724-933-6180 x 222.

Should you have any questions, please do not hesitate to contact me at dpayerchin@lunginfo.org or 724-933-6180 x 222.

Sincerely,

Debra Payerchin, M.S.
Vice President of Staff Development
