Dear Council Members:

Please find the attached resume of Mr. Regis Claus, whom I am recommending for appointment to the Plumbing Advisory Board.

The purpose of the Plumbing Advisory Board is to prevent public hazards through improper plumbing installations and to promote sound plumbing practices. Mr. Claus would fill a vacated term for the Building Industry member of the Board. His term would expire on December 31, 2004.

Mr. Claus has been the Executive Director of the Mechanical Contractors Association of Western Pennsylvania for the past ten years. His previous experience includes 25 years in a variety of local positions with building and building products companies. Throughout his experience, he has worked directly with pipes, valves and fittings in building applications. His extensive experience in the building industry would be a valuable asset to the Plumbing Advisory Board.

I appreciate your consideration and ask you to act on this appointment as quickly as possible. Mr. Claus will make himself available for review before the full Council or the appropriate committee if members of Council wish to speak with him.

Sincerely,

A handwritten signature in dark ink, appearing to read "James C. Roddey".
