Dear Council Members:

Please find the attached resume of Mr. Thomas Sray, whom I am recommending for appointment to the Allegheny County Conservation District Board ("Conservation District Board").

The Conservation District Board is a subdivision of state government that manages and directs conservation programs within Allegheny County, particularly in the areas of soil preservation and the development and improvement of agricultural land. Mr. Sray would fill a vacant Public Member position on the Board. His term would expire December 31, 2004.

Mr. Sray is an active community member and holds positions with several community organizations. He is also very familiar with farming issues in Allegheny since he has lived on and been a part of his family farm business for most of his life. He will bring valuable initiative, experience and enthusiasm to this Board.

I appreciate your consideration and ask you to act on this appointment as quickly as possible. Mr. Sray will make himself available for review before the full Council or the appropriate committee if members of Council wish to speak with him.

Sincerely,

A handwritten signature in dark ink, appearing to read "Jim Roddey".
