SUMMARY OF LEGISLATION

The attached legislation amends the 2014 Capital Budget. After the adoption of the 2014 Capital Budget, PennDOT gave Allegheny County an Act 89 allocation in the amount of \$809,276. The allocation amount is based on the ratio of County-owned bridges throughout the Commonwealth. The funds can only be used for construction, reconstruction, maintenance, and repair of County-owned bridges. 100% of the funding for this project will come from PennDOT.

If this legislation is approved, no additional County bond funds will be required, and the overall total of the 2014 Capital Budget will remain in balance.
