Dear Council Members:

Please find the attached resume of Morton Coleman, whom I am recommending for reappointment to the Area Agency on Aging Advisory Council ("Advisory Council").

The Advisory Council monitors, evaluates, and comments on all plans, programs, hearings and community actions which affect older citizens, and represents their interests to public officials and public and private agencies. Pending confirmation, Mr. Coleman will serve an additional two-year term, ending on December 31, 2004.

Mr. Coleman has been an exemplary member of the Advisory Council. He has served on many other boards in Allegheny County, and has been involved with local public policy and community issues in his professional career.

I appreciate your consideration and ask you to act on this reappointment as quickly as possible. Because Mr. Coleman was interviewed by Council for his previous appointment, I recommend that his interview with the Council Committee on Appointment Review be waived.

Sincerely,

---

It has come to my attention that the terms of the reappointments to the Area Agency on Aging (AAA) Advisory Council confirmed at the February 18, 2003 County Council meeting were set for only two years, not three years, as required by a recent change in AAA Advisory Council by-laws. Therefore, please revise all expiration dates for the following reappointees so that they read December 31, 2005, not December 31, 2004:

Morton Coleman

William DeSantis

Imam Mustafa Hassain

Lilia Huguley

Julius Jones

Thank you.
