Dear Council Members:

Please find the attached resume of Beth O'Toole, whom I am recommending for appointment to the Air Pollution Control Advisory Committee ("Advisory Committee").

The Air Pollution Committee recommends to the Board of Health additions and changes to the rules and regulations, and advises the Department and Board of Health on matters relative to the control of air quality in Allegheny County. Ms. O'Toole will fill an open position on the Advisory Committee. Her term will expire on December 31, 2003.

Ms. O'Toole is a distinguished environmental leader. Her career experience includes work with local environmental organizations, international environmental professionals and a City of Pittsburgh environmental program. Her experience with community outreach and public opinion on environmental issues will be particularly valuable to the Advisory Committee.

I appreciate your consideration and ask you to act on this appointment as quickly as possible. Ms. O'Toole will make herself available for review before the full Council or the appropriate committee if members of Council wish to speak with her.

Sincerely,
