## **Summary**

Authorizing the County of Allegheny to transfer a portion of McKees Rocks – Steubenville Pike Road, at Connie Park Drive and Clever Road, to Kennedy Township.

Allegheny County relocated a portion of McKees Rocks – Steubenville Pike Road in Kennedy Township to straighten the road both horizontally and vertically. This relocation required the extension of Connie Park Drive, a Township road, between the bypassed portion of the road and the new road alignment.

A land developer, with a project adjacent to the bypassed portion of the road, requested Kennedy Township to accept maintenance responsibility of the bypassed portion of the road. The Township had been providing winter maintenance. Kennedy Township authorized to accept the bypassed portion of the County road and the portion of Connie Park Drive constructed by the County, as shown in Exhibit A, by its Ordinance No. 530 of 2018 enacted July 17, 2018.
