REQUEST TYPE

New Grant

PROJECT DESCRIPTION / NECESSITY

This is a new grant from the PA Commission on Crime and Delinquency. The goal of the Data-Driven Mental Health Diversion grant is to put in place a data-driven system of gauges that will limit unnecessary incarceration of people with mental illness. This will include facilitating the appropriate diversion of people with mental illness who do not need to be incarcerated, identifying frequent systems users and ensuring the shortest possible lengths of incarceration for people in need of competency restoration or problem-solving courts participants awaiting treatment beds. The project period is 1/1/2017-12/31/2017.

Allegheny County Mental Health Pretrial Diversion	GRANT NEW-NOD25-17-5052	New Grant

PROJECT DESCRIPTION / NECESSITY

This is a new grant from the PA Commission on Crime and Delinquency. The Pretrial Mental Health Diversion grant will increase the number of men and women with mental illness who are diverted from incarceration during the pretrial stage. Through the grant, DHS and its criminal justice partners will develop processes to more quickly identify candidates for diversion, educate referral sources and create a process to lift detainees for individuals that would be eligible for the Justice Related Services (JRS) Diversion program. The project period is 1/1/2017-12/31/2018.
