SUMMARY PAGE
DRAFT ORDINANCE TO SELL EXCESS LAND
TO PENNSYLVANIA DEPARTMENT OF TRANSPORTATION
MT. NEBO ROAD IN OHIO TOWNSHIP AND
GREENSBURG PIKE IN NORTH VERSAILLES BOROUGH
March 12, 2009

Allegheny County recently acquired all of a parcel of land to construct lateral slope support of Mt. Nebo Road. The parcel was created as an uneconomic remnant when PennDOT acquired right-of-way for I-279. After constructing the lateral slope support, PennDOT offered to acquire another part of the parcel to extend the County's construction project between the County road and the state road.

PennDOT plans to reconstruct its bridge carrying Greensburg Pike (SR 2087) over Lincoln Highway (SR 30). A hillside parcel between the Greensburg Pike bridge eastbound approach ramp and SR 30 remains in County ownership after the County originally maintained Greensburg Pike. PennDOT now needs the parcel to reconstruct its bridge.

We request authorization to convey the excess real estate at the fair market values determined by certified general real estate appraisers.
