Dear Council Members:

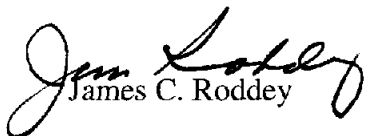

I am recommending my reappointment to the Southwestern Pennsylvania Commission ("SPC").

The SPC is the primary transportation planning organization for the Southwestern Pennsylvania region. Pending confirmation, I will serve an additional three-year term, ending on December 31, 2005.

Because the SPC plays a vital role in Allegheny County and our region, I believe that the Chief Executive of Allegheny County should continue to serve as an SPC Commissioner. Please note that I am a past board member and chair of Port Authority Transit and former chair of Maglev Inc. I am a long time and active advocate of various transportation issues including the Mon-Fayette Expressway. For the past three years, I have served on the Executive Committee of the SPC.

I appreciate your consideration and ask you to act on this reappointment as quickly as possible. Because my previous appointment to the SPC was reviewed and confirmed by Council, I recommend that my interview with the Council Committee on Appointment Review be waived.

Sincerely,

James C. Roddey
