Members of the Allegheny County Council,

I am informing you of my interest in the available committee positions with the Friends of South Park, the County Park.

I have been involved with the Friends of South Park group since it's inception and devoted countless hours for the improvement of South Park.

My active involvement with the "Friends" group includes securing the layout and purchase of the fitness trail worth 10,000, the golf outings, oldies dance, spring and fall cleanups, wine tasting, Acoustic Sunday concert and flea markets.

I have researched and located a supplier for a new fitness trail with the best possible price and guarantee. I presented this project to the Friends and was given the approval to proceed and it was installed on September 13, 2013.

My goal as a committee member is to protect the environment of South Park while contributing to the fund raising activities in every way.

I feel that I am a great candidate because of my experience with the friends group and the continued support of South Park.

Sincerely,

Tom Woods
Resident of South Park
