Dear Council Members:

Please find the attached resume of Ms. Marie M. Clark, whom I am recommending for appointment to the Allegheny County Conservation District Board ("Conservation District Board").

The Conservation District Board is a subdivision of state government that manages and directs conservation programs within Allegheny County, particularly in the areas of soil preservation and the development and improvement of agricultural land. Ms. Clark would fill a vacated Public Member position on the Board. Her term would expire December 31, 2006.

Ms. Clark has been an active Associate Director for the Conservation District for many years. Her promotion to Director has been supported for several years. Ms. Clark holds relevant degrees in Biology and Sustainable Systems and has gained experience with conservation through her involvement with other local organizations.

I appreciate your consideration and ask you to act on this appointment as quickly as possible. Ms. Clark will make herself available for review before the full Council or the appropriate committee if members of Council wish to speak with her.

Sincerely,

Dear Nominating Committee:

The Board of Directors of the Authority for Improvements in Municipalities at its regular meeting on July 25, 2000 nominated Marie M. Clark residing at 2721 Bertha Street, Bethel Park, Pennsylvania for your consideration as a Director on the Board of the Allegheny County Conservation District.

Ms. Clark is well qualified and has taken a keen interest in the programs and services that the District provides. She is currently serving as an Associate Director of the Conservation District and understands the needs of the District.

We believe she deserves an opportunity to be elevated to the position of Director and would hope that her name be placed in nomination to the County in the event of a vacancy. Enclosed is a copy of her resume for your review.

If we can be of any further assistance to this nomination, please do not hesitate contacting me.

Sincerely,
