Dear Council Members:

Please find the attached resume of Walter Goldberg, whom I am recommending for reappointment to the Air Pollution Control Advisory Committee ("Advisory Committee").

The Air Pollution Committee recommends to the Board of Health additions and changes to the rules and regulations, and advises the Department and Board of Health on matters relative to the control of air quality in Allegheny County. Pending confirmation, Dr. Goldberg will serve an additional one-year term, ending on December 31, 2003.

Dr. Goldberg is being reappointed to the Advisory Committee for a full one-year term, after being recently appointed to the brief remaining term of an open position.

I appreciate your consideration and ask you to act on this reappointment as quickly as possible. Because County Council reviewed and confirmed Dr. Goldberg's previous appointment, I recommend that his interview with the Council Committee on Appointment Review be waived.

Sincerely,

A handwritten signature in cursive script that reads "James C. Roddey".
