Dear Council Members:

Please find the attached resume of Mr. Curt Kaelin, whom I am recommending for reappointment to the Allegheny County Conservation District Board ("Conservation District Board").

The Conservation District Board is a subdivision of state government that manages and directs conservation programs within Allegheny County, particularly in the areas of soil preservation and the development and improvement of agricultural land. If reappointed as a Farmer Member of the Board, Mr. Kaelin will serve an additional term which would end December 31, 2003.

Mr. Kaelin has been active in farming and farmland preservation since high school, when he received his first distinction for his pursuits, the Allegheny County Conservationist of the Year award. He has been a valuable resource to the Board regarding both farming and development issues in Allegheny County.

I appreciate your consideration and ask you to act on this appointment as quickly as possible. Mr. Kaelin will make himself available for review before the full Council or the appropriate committee if members of Council wish to speak with him.

Sincerely,

Dear Mr. Roddey,

In carrying out our responsibility as a nominating organization for the Soil Conservation District of Allegheny County, I would like to place the name of Curt Kaelin in re-nomination for a seat as a District Director on the Soil Conservation Board. I find Kurt to be conscientious, honest, and a completely dedicated individual. He has significant experience in the agricultural community as well as knowledge of development issues facing Allegheny County.

I believe Kurt to be more than ready to undertake the challenges of this position and would be more than happy to speak to anyone regarding this reference.

Yours Truly,

Deno De Ciantis, M.Ed.
County Extension Director
