March 12, 2009

Jacks Run Bridge No. 1 has structurally deteriorated to the point that it needs to be reconstructed. We have been unable to locate the owners of two properties affected by the project. The deed for Parcel 7 was recorded June 27, 1906 and the deed for Parcel 9 was recorded October 24, 1931. We, regrettably, need to resort to the County's power of Eminent Domain to reconstruct the bridge.

We seek approval by County Council as soon as possible to file Declarations of Taking, as required by the County Administrative Code.
