SUMMARY OF LEGISLATION

The attached legislation will amend the 2009 Capital Budget by providing additional funds to complete the Health Department's Bio-hazard Laboratory. The requirements of a BSL3 lab changed and became more stringent during the course of constructing the lab. As a result, the County had to make a significant number of adjustments to building systems not detailed in the original design that were necessary to safely operate a bio-hazard lab. In addition, final commissioning of the building as a BSL3 lab has required further consultant resources. Delays in certain other projects will allow us to amend the capital budget without increasing the overall size of the budget. If this amendment is approved, the 2009 Capital Budget will remain in balance with no increase in County bond funds required.
