

Bill No. 1649-04

No. 24-04-OR

AN ORDINANCE

Ordinance of the County of Allegheny, Commonwealth of Pennsylvania, authorizing the County administration to enter into discussions regarding the joint cooperation of the City of Pittsburgh and Allegheny County in the performance and exercise of certain governmental functions, and providing for the adoption of an ordinance to enter into an intergovernmental cooperation agreement pursuant to the Intergovernmental Cooperation Act, 53 P.S. § 2301 et. seq. (hereinafter the "Act").

WHEREAS, the Intergovernmental Cooperation Act provides that two or more municipalities may jointly cooperate in the exercise of or performance of their respective governmental functions, powers, or responsibilities, when both bodies pass an ordinance to that effect; and

WHEREAS, Ordinance No. 32125 of the County of Allegheny, approved by the Board of Commissioners on March 31, 1994, authorized cooperation agreements between the City and County to jointly cooperate in the performance of governmental functions in six broad areas; and

WHEREAS, Ordinance No. 32125 being rescinded, the Allegheny County Council desires to give authorization to the administration to enter into discussions regarding joint cooperation between the County and the City of Pittsburgh, subject to the requirements of § 2305 and § 2307 of the Act; and

WHEREAS, it is appropriate that County Council, created to represent the diversity of the County's citizens and to provide better access to County government, and vested with the budgetary authority of the County, consider specific cooperating agreements and authorize entering into such agreements as part of its legislative function.

The Council of the County of Allegheny hereby enacts as follows:

SECTION 1.

The Administration of the County is hereby authorized to enter into discussions regarding intergovernmental cooperation agreements with the City of Pittsburgh to jointly cooperate in the performance of governmental functions in the areas of Economic Development, Facilities, Information Technology, Parks, Public Safety, Public Works, Purchasing, and Tax Collection.

SECTION 2.

Pursuant to the Intergovernmental Cooperation Act, 53 P.S. § 2301 et seq., when specific cooperating agreements have been negotiated and are ready to be entered into, an ordinance authorizing the County to enter into the specific agreement shall be required through the legislative action of County Council, pursuant to § 2305 and § 2307 of the Act.

SECTION 3.

This authorization to enter into discussions shall expire December 31, 2005.

SECTION 4. *If any provision of this Ordinance shall be determined to be unlawful, invalid, void or unenforceable, then that provision shall be considered severable from the remaining provisions of this Ordinance which shall be in full force and effect.*

SECTION 5. *Any Resolution or Ordinance or part thereof conflicting with the provisions of this Ordinance is hereby repealed so far as the same affects this Ordinance.*

Honorable President and Members
Allegheny County Council
119 Courthouse

Pittsburgh, PA 15219

President and Members of Council:

I hereby return, with my veto, Council Bill 1649-04 that you forwarded to my office for consideration on July 16, 2004. I have vetoed this Bill, along with Council Bills 1598-04 and 1600-04, because they illegally infringe upon the powers of the Chief Executive as granted by the Allegheny County Home Rule Charter. Under the Charter, the power to negotiate, award and execute contracts is vested with the office of Chief Executive.

Bill 1649-04 would require that the Chief Executive seek County Council's approval of any intergovernmental cooperation agreement that the Chief Executive may negotiate, award and execute. This Bill would inject County Council into the process of negotiating, awarding and executing contracts that, under the Home Rule Charter, is vested within the Executive Branch. The State Legislature, in passing the Intergovernmental Cooperation Act, 53 Pa.Con.Stat. § 2301, *et. seq.*, has provided County Council with a clearly defined role in the area of cooperation with other political subdivisions. This Bill exceeds the clear authority that the Legislature has granted County Council in this regard.

Under the controlling statutory authority, County Council's role is to provide the Executive Branch with the initial authority to commence the process of intergovernmental cooperation. Once County Council grants that authority, the Home Rule Charter would control the progress of any such cooperation. Because Bill 1649-04 purports to grant County Council significantly more authority than that which the Home Rule Charter vests, I cannot allow Bill 1649-04 to become law.

Sincerely,

A handwritten signature in black ink, appearing to read "Dan Onorato".

Article IV, Section 5(b) of the Home Rule Charter provides that County Council may override a Chief Executive veto by an affirmative vote of at least two-thirds of the Seated Members of Council and that the override vote must occur within 30 days of the veto, which means that Sunday, August 22, 2004 would be the last day you could vote to override the veto, otherwise, the veto would be sustained.
