Dear Mr. Flaherty:

The Pittsburgh campus of the International Academy of Design and Technology has permanently closed effective December 31, 2008. Because the Academy no longer has need for particular pieces of office furniture, they have expressed their willingness to donate the items to the Sheriff's Office at no cost.

The property includes chairs, filing cabinets, wooden desks and a conference table. Personnel from my office have inspected the fixtures and have determined that they are in good condition and would positively enhance the organization and professional appearance within the Sheriff's Office's multiple divisions. Attached is an approximate listing of items, which the Academy has agreed to provide. I am requesting your approval to accept the office furniture for utilization in the Sheriff's Office.

Should you authorize our acceptance of these materials, a precise inventory of the items we received would, of course, be provided to your office. I thank you for your time and consideration in this request and invite you to contact me at (412) 350-4711 if you have any further questions.

Very truly yours,

SHERIFF WILLIAM P. MULLEN
