ARTICLE 2 - AUTHORIZATION OF DEBT

Section 2.1. Incurrence. The County hereby authorizes and directs the incurrence of nonelectoral debt in an amount not to exceed the aggregate principal amount of \$53,435,000 for the purposes of the Project; such debt shall be evidenced by the Bonds, to be issued, sold and delivered according to the provisions of the Purchase Proposal, this Debt Ordinance and the Debt Act, as general obligations of the County.

Section 2.2. Preparation of Debt Statement; Exclusion of Indebtedness. The Designated Officers are hereby authorized and directed to prepare and verify under oath or affirmation, according to the requirements of Sections 8002 and 8110 of the Debt Act, the Debt Statement of the County, including therewith a certification of the Borrowing Base, and, if desired, any statements required under Chapter 80, Subchapter B of the Debt Act necessary to qualify all or any portion of this, or any prior outstanding, debt for exclusion from the appropriate debt limit as self-liquidating or subsidized debt; all previous actions of Designated Officers in this regard are hereby ratified and confirmed.

Section 2.3. Proceedings Before the Department. The Designated Officers are hereby further authorized and directed to prepare and file all proceedings of the County relative to this incurrence of debt with the Department of Community and Economic Development (the "Department") and to respond to all inquiries or requests and to perform all other actions necessary to enable the Department to certify its approval to issue, sell and deliver the Bonds.

Section 2.4. Stated Maturity Dates. The County hereby finds and determines that: (1) the Bonds are to be issued with: (a) a final stated maturity date which does not exceed the sooner to occur of forty years or the useful life of the Project; and (b) an initial stated installment or maturity of principal which has not been deferred beyond the later of two years or one year from the date of expected completion of the Project; and (2) the stated maturities, or principal installments subject to mandatory redemption, of the Bonds have been fixed so that the debt service on outstanding debt of the County will be brought more nearly into an overall level annual debt service plan.

Section 2.5. Cost and Realistic Useful Life.

(a) Reasonable cost estimates have been obtained for the Project with the assistance of the Financial Advisor and other persons qualified by experience. The cost of the C-61 Project is based on (i) estimates of County officers to complete the capital projects, and (ii) estimates of County officers and the Financial Advisor of the cost of refunding the C-58A Bonds.

(b) The estimated useful lives of the assets financed with the proceeds of the C-61 Bonds is 30 years, and the remaining useful life of the assets refinanced with proceeds of the Series C-61 Bonds is at least 9.5 years, and corresponding aggregate principal amounts of the C-61 Bonds will mature prior to such respective useful lives as required by the Debt Act (53 Pa.C.S. §8142(a)(2)).

Section 2.6. Refunding. The County has determined to refund the C-58A Bonds for the purpose of eliminating the following covenants and restrictions in or applicable to the C-58A

Bonds which the County has determined to be unduly burdensome or restrictive: (a) variability of the interest rates on the C-58A Bonds; and (b) maintaining a letter of credit to provide liquidity and credit enhancement for the C-58A Bonds. The C-61 Bonds allocable to the refunding of the C-58A Bonds do not have principal payable in any year after the latest stated maturity date of the C-58A Bonds. The County hereby directs the redemption of all the C-58A Bonds being refunded on such date as is specified in the accepted Purchase Proposal, by the deposit of proceeds of the C-61 Bonds, together with other funds of the County available for such purpose, in the Sinking Fund for the C-58A Bonds or in one or more escrow accounts (each an "Escrow Fund") with Wells Fargo Bank, N.A., as Escrow Agent (the "C-58A Bonds Escrow Agent") under one or more Escrow Trust Agreements (each an "Escrow Agreement") providing for the payment of the C-58A Bonds.

ARTICLE 3 - SECURITY FOR DEBT; SINKING FUND

Section 3.1. General Obligation Covenant. The Bonds shall be general obligations of the County. The County hereby covenants with the owners from time to time of the Bonds to: (a) include the amount necessary to service the debt on the Bonds, for each fiscal year in which such sums are payable, in its budget for that year; (b) appropriate such amounts from its general revenues to the payment of such debt service; and (c) duly and punctually pay, or cause to be paid, from its Sinking Funds or from any other of its revenues or funds, the principal of and the interest on the Bonds at the dates and place and in the manner stated in the Bonds, according to the true intent and meaning thereof.

For such budgeting, appropriation and payment of the Bonds, the County hereby irrevocably pledges its full faith, credit and taxing power. The maximum principal payment amounts by payment date, maximum interest rates, maximum yields, and maximum annual amounts of debt service hereby covenanted to be paid are set forth in Exhibit B, attached to this Debt Ordinance and incorporated by reference herein.

As provided in the Debt Act, the foregoing covenants are specifically enforceable. Notwithstanding the foregoing, nothing contained herein shall prohibit or restrain the authorization, issuance, sale or delivery of additional general obligation bonds or bonds of the County on a parity with this Series of Bonds, upon adoption of an appropriate covenant to budget, appropriate and pay additional taxes and other revenues and funds for the payment and security of such additional obligations.

Section 3.2. Creation of Sinking Fund. The County hereby creates, and orders to be established (in its name and identified by reference to the Bonds), a Sinking Fund for the payment of the Bonds with the Sinking Fund Depository, and further covenants to maintain such Sinking Fund until such Bonds are paid in full. The Designated Officer is hereby authorized and directed to contract with the Sinking Fund Depository for its services in such capacity, together with its services as Paying Agent and Registrar for the Bonds.

Section 3.3. Deposits into Sinking Fund. The County covenants with the owners of the Bonds, and a Designated Officer (according to the duties specified in Section 8223 of the Debt Act) is hereby authorized and directed, to withdraw from the General Fund (or in the event debt service charges have been capitalized, from any Project Fund established with the proceeds of the Bonds, as authorized in Section 11.4) and to deposit into the Sinking Fund on or before the appropriate Interest Payment Dates (or as and when otherwise due by their terms and in order to provide same-day, available funds for timely payment), amounts sufficient to pay: (a) the interest on the Bonds then outstanding; and (b) the principal of the Bonds then maturing or subject to redemption on each such Interest Payment Date as set forth in Section 3.1.

Section 3.4. Investment of Sinking Fund. All moneys in the Sinking Fund not required for prompt expenditure may, in accordance with written or telephonic (if subsequently confirmed in writing according to the reasonable practices and requests of the Sinking Fund Depository) instructions of the Designated Officer, be invested in Authorized Investments.

Authorized Investments must mature or must be subject to redemption, withdrawal or collection in their full amount at the option of the Sinking Fund Depository not later than the date upon which moneys are required to be paid to owners of the Bonds. All moneys in the Sinking Fund shall be applied exclusively to the payment of the Bonds as the same from time to time becomes due and payable. All moneys deposited into the Sinking Fund and all investments and proceeds thereof shall be subject to a perfected security interest for the benefit of the owners of the Bonds. Income received from any deposit or investment within the Sinking Fund shall remain within and be a part of the Sinking Fund and all such amounts may be applied in reduction or completion of any amount covenanted under Section 3.1 hereof to be deposited therein; provided, however, that the obligation of the County to pay the Bonds is, and shall remain, absolute, and may not be satisfied or reduced merely by the deposit of moneys into the Sinking Fund or from the expectation of earnings thereon.

ARTICLE 4 - TERMS AND PROVISIONS OF THE BONDS

Section 4.1. Dates, Maturity Amounts and Interest Rates. The Bonds will be identified by the Dated Date, will be dated as of the Authentication Dates, will bear interest at the rates, payable on the appropriate Interest Payment Dates, and will mature on the Maturity Dates (or be redeemed, mandatorily, on the appropriate Mandatory Redemption Dates, as provided in Section 4.4) and in the principal amounts (or maturity amounts) set forth in Section 3.1 and in the Purchase Proposal.

Section 4.2. Fixed Rate Bonds. The Bonds shall bear interest at the respective rates per annum as set forth thereon and as provided in the Purchase Proposal.

Section 4.3. Optional Redemption. The Bonds are subject to optional redemption prior to maturity as set forth in the Purchase Proposal. The Bonds scheduled to mature on a date after the Optional Redemption Date may be redeemed prior to maturity at the option of the County (a) in whole, on the Optional Redemption Date or on any date thereafter, or (b) in part, from time to time, on the Optional Redemption Date or on any date thereafter, by lot within a maturity, upon payment of the applicable Redemption Price.

Section 4.4. Mandatory Redemption. Term Bonds (if any) shall be redeemed prior to maturity by the Sinking Fund Depository without further authorization on the appropriate Mandatory Redemption Dates and in the appropriate principal amounts as shall be set forth in the Purchase Proposal upon payment of the applicable Redemption Price.

Section 4.5. Authorized Denominations: Book Entry System. The Bonds will be issued in denominations of \$5,000 or any multiple thereof initially in the form of one fully registered bond for the aggregate principal amount of the Bonds of each maturity, which Bonds will be registered in the name of Cede & Co., as nominee of the Depository Trust Company, New York, New York ("DTC"). Initially, all of the Bonds will be registered in the name of Cede & Co., as nominee of DTC; provided that if DTC requests that the Bonds be registered in the name of a different nominee, the Sinking Fund Depository must exchange all or any portion of the Bonds for an equal aggregate principal amount of Bonds registered in the name of such nominee of DTC. No person other than DTC or its nominee is entitled to receive from the County or the Sinking Fund Depository either a Bond or any other evidence of ownership of the Bonds, or any right to receive any payment in respect thereof unless DTC or its nominee transfers record ownership of all or any portions of the Bonds on the Register (as such term defined in Section 4.9), in connection with discontinuing the book entry system.

So long as the Bonds or any portion thereof are registered in the name of DTC or any nominee thereof, all payments of the principal or redemption price of or interest on such Bonds will be made to DTC or its nominee in immediately available funds on the dates provided for such payments in this Ordinance. Each such payment to DTC or its nominee will be valid and effective to discharge fully all liability of the County or the Sinking Fund Depository with respect to the principal or redemption price of or interest on the Bonds to the extent of the sum or sums so paid. In the event of the redemption of less than all of the Bonds outstanding of any maturity, the Sinking Fund Depository will not require surrender by DTC or its nominee of the Bonds so redeemed, but DTC (or its nominee) may retain such Bonds and make an appropriate

notation on the Bond certificate as to the amount of the partial redemption provided that DTC must deliver to the Sinking Fund Depository, upon request, a written confirmation of the partial redemption and thereafter the records maintained by the Sinking Fund Depository will be conclusive as to the amount of the Bonds of such maturity which have been redeemed.

The County and the Sinking Fund Depository may treat DTC (or its nominee) as the sole and exclusive owner of the Bonds registered in its name for the purposes of payment of the principal or redemption price of or interest on the Bonds, selecting the Bonds or portions thereof to be redeemed, giving any notice permitted or required to be given to Registered Owners under this Ordinance, registering the transfer of Bonds, obtaining any consent or other action to be taken by Registered Owners and for all other purposes whatsoever; and neither the County nor the Sinking Fund Depository will be affected by any notice to the contrary. Neither the County nor the Sinking Fund Depository will have any responsibility or obligation to any participant in DTC, any person claiming a beneficial ownership interest in the Bonds under or through DTC or any such participant, or any other person which is not shown on the Register as being Registered Owner, with respect to either (1) the Bonds; or (2) the accuracy of any record maintained by DTC or any such participant; or (3) the payment by DTC or any participant of any amount in respect of the principal or redemption price of or interest on the Bonds; or (4) any notice which is permitted or required to be given to Registered Owners under this Ordinance; or (5) the selection by DTC or any participant of any person to receive payment in the event of partial redemption of the Bonds; or (6) any consent given or other action taken by DTC as Registered Owner.

So long as the Bonds or any portion thereof are registered in the name of DTC or any nominee thereof, all notices required or permitted to be given to the Registered Owners under this Ordinance will be given to DTC as provided in the blanket representation letter delivered to DTC.

In connection with any notice or other communication to be provided to Registered Owners pursuant to this Ordinance by the County or the Sinking Fund Depository with respect to any consent or other action to be taken by Registered Owners, DTC will consider the date of receipt of notice requesting such consent or other action as the record date for the consent or other action, provided that the County or the Sinking Fund Depository may establish a special record date for such consent or other action. The County or the Sinking Fund Depository must give DTC notice of the special record date not less than 10 days in advance of such special record date.

Any successor Sinking Fund Depository must, in its written acceptance of its duties under this Ordinance, agree to take any actions necessary from time to time to comply with the requirements of the representation letter.

The book-entry system for registration of the ownership of the Bonds may be discontinued at any time if either: (1) after notice to the County and the Sinking Fund Depository, DTC determines to resign as securities Depository for the Bonds; or (2) after notice to DTC and the Sinking Fund Depository, the County determines that a continuation of the system of book-entry transfers through DTC (or through a successor securities depository) is not in the best interest of the County. In either of such events (unless in the case described in clause (2) above, the County appoints a successor securities depository), the Bonds will be delivered in

registered certificate form to such persons, and in such maturities and principal amounts, as may be designated by DTC, but without any liability on the part of the County or the Sinking Fund Depository for the accuracy of such designation. Whenever DTC requests the County and the Sinking Fund Depository to do so, the County and the Sinking Fund Depository must cooperate with DTC in taking appropriate action after reasonable notice to arrange for another securities depository to maintain custody of certificates evidencing the Bonds. The Bonds will also carry CUSIP numbers as a convenience to owners.

Section 4.6. Interest Payments; Accrual. The Bonds will bear interest, computed on the basis of a 30-day month and 360-day year, payable in arrears, initially on the First Interest Payment Date and then on each Interest Payment Date subsequent for the respective preceding period; provided, that interest may be paid from an Interest Payment Date next preceding the date of a Bond except when the date of such Bond is a date to which interest has been so paid, then from the date of such Bond, or when either (1) the date of such Bond is prior to the First Interest Payment Date, or (2) no interest has been paid, then from the Dated Date.

Section 4.7. Record Date; Payments on Default. The person in whose name any Bond is registered at the close of business on any Record Date with respect to any Interest Payment Date, Redemption Date or Maturity Date shall be entitled to receive the amounts payable on such payment date notwithstanding the cancellation of such Bond upon any transfer or exchange thereof subsequent to such Record Date and prior to such payment date.

When, if, and to the extent, the County defaults in the payment of any amount due on any such dates, any moneys collected for such payment, as and when collected from time to time, may be paid to the persons in whose names Bonds are registered at the close of business on a Special Record Date established by the Sinking Fund Depository, notice of which has been mailed not less than ten days prior to such Special Record Date to all Registered Owners of Bonds as shown on the Bond Register at the close of business on the fifth day prior to the date of such mailing.

Section 4.8. Funds for Payment. The Bonds are payable at the offices of the Sinking Fund Depository in the coin or currency of the United States of America that is legal tender for the payment of public and private debts at the time and place of payment; provided, however, in the absence of written demand for such payment by the Registered Owner, received by the Sinking Fund Depository not later than the Record Date, all payments of the Bonds will be made by check or draft drawn on the Sinking Fund Depository and mailed, first class, postage prepaid, to the owner at the address that appears in the Register, following presentation at the offices of the Sinking Fund Depository.

Section 4.9. Registration and Transfer. The County will cause the Sinking Fund Depository to keep, in its capacity as Registrar, a Register in which, subject to reasonable regulations, the County will provide for the registration of Bonds and the registration of transfers and exchanges of Bonds. No transfer or exchange of any Bond will be valid unless made at the offices of the Sinking Fund Depository and registered in the Register.

Upon surrender for registration of transfer of any Bond, the County will execute, and the Sinking Fund Depository will authenticate and deliver in the name of the transferee or

transferees, a new Bond or Bonds of any authorized denomination, of the same yield and maturity, and in the same principal amount, as the Bond so surrendered.

Any Bond is exchangeable for other Bonds of the same yield and maturity, in any authorized denomination, in the same principal amount as the Bond or Bonds presented for exchange. Upon surrender for exchange of any Bond, the County shall execute, and the Sinking Fund Depository shall authenticate and deliver in exchange therefor, the new Bond or Bonds which the Registered Owner making the exchange shall be entitled to receive.

All Bonds issued upon any registration of transfer or exchange shall be valid obligations of the County, evidencing the same indebtedness and entitled to the same benefits under this Debt Ordinance as the Bonds surrendered for such registration of transfer or exchange. All Bonds so surrendered shall be cancelled and may be destroyed by the Sinking Fund Depository.

Every Bond presented or surrendered for registration of transfer or exchange shall be duly endorsed, or be accompanied by a written instrument of transfer, in form and with guaranty of signature satisfactory to the County and the Sinking Fund Depository, duly executed by the owner thereof or his duly authorized agent or legal representative.

No service charge shall be imposed on any Registered Owner for any transfer or exchange of any Bond, but the County may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds.

Neither the County, nor the Sinking Fund Depository, shall be required to: (a) issue, or register the transfer or exchange of, any Bond during a period of fifteen (15) business days before any date of selection of Bonds to be redeemed; or (b) register the transfer or exchange of any Bond after it has been selected for redemption.

The Bonds shall be initially registered in accordance with instructions submitted to the Sinking Fund Depository by the Purchaser.

Section 4.10. Execution and Authentication. The Bonds shall be executed on behalf of the County by the Designated Officers, and shall have a facsimile of the corporate seal of the County affixed thereto, duly attested. The Bonds shall be authenticated by the manual execution of the Certificate of Authentication by a duly authorized officer of the Sinking Fund Depository. No Bond shall be valid until such Certificate of Authentication shall have been duly executed and such authentication shall be the conclusive and only proof that any Bond has been issued pursuant to, and is entitled to any benefits conferred under, the provisions of this Debt Ordinance. To the extent that any one signature on a Bond (including the signature of the officer of the Sinking Fund Depository) is manual, all other signatures may be by facsimile.

Section 4.11. Notices, Selection of Bonds for Redemption. Notice of redemption shall be given by first class mail, postage prepaid, not less than 30 nor more than 60 days prior to the applicable redemption date, to the Registered Owners of Bonds to be redeemed at the addresses which appear in the Bond Register on the fifth business day preceding the date selected for the mailing of such notice and to the Rating Agency, and the Insurer, if any. Neither failure to mail such notice nor any defect in the notice so mailed or in the mailing thereof with respect to any

one Bond shall affect the validity of the proceedings for the redemption of any other Bond. If the County shall have duly given notice of redemption and shall have deposited funds for the payment of the Redemption Price of the Bonds with the Sinking Fund Depository, interest on such Bonds shall cease to accrue after such redemption date.

Notices of redemption shall be dated and shall state: (a) the redemption date; (b) the Redemption Price; (c) if less than all outstanding Bonds are to be redeemed, the identification numbers and the respective maturity amounts of the Bonds to be redeemed; (d) the applicable CUSIP numbers of the Bonds called for redemption (if then generally in use, but shall state that no representation is made as to the correctness of such numbers either as printed on the Bonds or as contained in the notice and that reliance may be placed only on the identification numbers printed on the Bonds); (e) that on the redemption date the Redemption Price will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date; and (f) that such Bonds are to be surrendered for payment at the designated corporate trust office of the Sinking Fund Depository.

If less than all Bonds maturing on any one date are to be redeemed at any time, the Sinking Fund Depository shall select by lot the Bonds to be redeemed at such time. Any portion of any Bond of a denomination larger than \$5,000 may be redeemed, but only in the principal amount of \$5,000 or any integral multiple thereof. Prior to selecting Bonds for redemption, the Sinking Fund Depository shall assign numbers to each portion of any Bond of a denomination larger than \$5,000 and shall treat each portion as a separate Bond in an authorized denomination for purposes of selection for redemption. Upon surrender of any Bond for redemption of a portion thereof, the Sinking Fund Depository shall authenticate and deliver to the owner thereof a new Bond or Bonds of the same maturity and in any authorized denominations requested by the owner in a principal amount equal to the unredeemed portion of the Bond surrendered.

Section 4.12. Bonds Lost or Destroyed. Upon receipt by the County and the Sinking Fund Depository of evidence satisfactory to both of them that any outstanding Bond has been mutilated, destroyed, lost or stolen, and of indemnity satisfactory to both of them, the County may, in its discretion, execute and thereupon the Sinking Fund Depository shall authenticate and deliver a new Bond of the same maturity and of like tenor in exchange and substitution for, and upon surrender and cancellation of, the mutilated Bond, or in lieu of and in substitution for the Bond so destroyed, lost or stolen. The County may, for each new Bond authenticated and delivered under the provisions of this Section, require the payment of the expenses, including counsel fees. Any Bond issued under the provisions of this Section in lieu of any Bond alleged to be destroyed, lost or stolen, shall constitute an original additional and independent contractual obligation on the part of the County whether or not the Bond so alleged to be destroyed, lost or stolen be at any time enforceable by anyone, and shall be equally and proportionately entitled to the benefits of this Debt Ordinance with all other Bonds issued hereunder, and all limitations and debt limits imposed by the Debt Act shall be increased to the extent necessary to validate such new Bonds.

Section 4.13. Form of the Bonds. The C-61 Bonds shall be substantially in the form set forth on Exhibit A attached hereto and by references made a part hereof.

Section 4.14. Payment Dates. If the date for payment of principal of, premium, if any, or interest on any Bond shall be a Saturday, Sunday, legal holiday or a day on which banking institutions in the city where the designated corporate trust office of the Paying Agent is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not a Saturday, Sunday, legal holiday or a day on which such banking institutions are authorized to close, and payment on such date shall have the same force and effect as if made on the nominal date established for such payment.

ARTICLE 5 - CONCERNING THE SINKING FUND DEPOSITORY

Section 5.1. Maintenance of Sinking Fund. The Sinking Fund Depository shall maintain the Sinking Fund as a separate account and shall, without further authorization other than as herein contained, pay, from moneys therein, the principal of, interest on and premium, if any, on the Bonds, as and when the same shall become due, to the Registered Owners thereof.

Section 5.2. Unclaimed Funds. The Sinking Fund Depository shall return to the County all moneys deposited and held in the Sinking Fund for the payment of Bonds which have not been claimed by the Registered Owners after two years from the date when payment is due, except where such funds are held for the payment of outstanding checks, drafts or other instruments of the Sinking Fund Depository. Nothing in this Section or by reason of any action taken hereunder shall relieve the County of its liability for payment to the Registered Owners of unpresented Bonds.

Section 5.3. Registration Agents. In the event the Bonds are qualified by the Purchaser, or are otherwise determined to be eligible, for the deposit, book-entry, withdrawal and other related services of The Depository Trust Company (or another or additional recognized Bond registration agent performing similar services), the Sinking Fund Depository shall undertake and perform those additional duties which may be required of it in order to enable The Depository Trust Company (or other similar agent) to perform such services for its participants, including the processing of transfers of registration within necessary time periods, the payment of Bonds by acceptable fund transfers and the delivery of adequate redemption and other payment notices.

Section 5.4. Liability of Sinking Fund Depository. The Sinking Fund Depository may exercise any of the powers or perform any duty hereunder by or through attorneys, agents, receivers or employees, and it shall not be answerable or accountable for any act, default, neglect or misconduct of any such attorney, agent, receiver or employee, if reasonable care has been exercised in his appointment and retention, nor shall the Sinking Fund Depository be otherwise answerable or accountable under any circumstances whatever in connection with such powers or duties, except for its own negligence or willful misconduct. The Sinking Fund Depository shall be protected and shall incur no liability in relying, acting or proceeding in good faith upon any notice, request, order, certificate, report, opinion, statement, affidavit, voucher, or other paper or document believed by it to be genuine and to have been signed, passed or presented by the proper person, nor be bound to make any investigation into the matters stated therein. However, the Sinking Fund Depository may, at any time in its discretion, require of the County full information and advice as to the above as well as to the performance of any of the covenants, conditions and agreements in this Debt Ordinance and may further make or cause to be made independent investigations, at the expense of the County, concerning its affairs. The Sinking Fund Depository may consult with legal counsel to be selected and employed by it and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance with the opinion of such counsel.

Section 5.5. Ownership of Bonds. The Sinking Fund Depository, in its individual capacity or as a fiduciary, may become the owner of Bonds, with the same rights it would have if it were not the Sinking Fund Depository. The Sinking Fund Depository may also engage in, or

be interested in, any financial or other transaction with the County not in derogation of the rights of the Registered Owners of the Bonds.

Section 5.6. Interpretation. The Sinking Fund Depository may construe any of the provisions of this Debt Ordinance insofar as they may appear to be ambiguous or inconsistent with any other provision, and any construction of any such provisions by the Sinking Fund Depository in good faith will be binding upon the Registered Owners of the Bonds.

Section 5.7. Fees and Expenses. The Sinking Fund Depository shall be paid such initial and periodic fees for its services and reimbursed for such expenses, as are specified in those proposals and other such communications made to and received by the County in connection with the Bonds, if any, or, in all events, according to its usual, customary and reasonable schedule of fees and other charges.

Section 5.8. Removal; Resignation. The Sinking Fund Depository shall serve in such capacity at the will of the County and may be removed, at any time, with or without cause, by the appointment of a qualified successor and upon sixty (60) days written notice to the Registered Owners of the Bonds and to the Sinking Fund Depository. Moreover, but if, and only in the event that, the payment of the Bonds has been insured to the Registered Owners thereof by a duly issued and outstanding Bond Insurance Policy, then the Sinking Fund Depository and any successor shall be, and remain at all times, acceptable to the Insurer, who shall be empowered to request the appointment of a successor for cause shown. The Sinking Fund Depository may at any time resign and be discharged of the trust hereby created by giving not less than sixty (60) days written notice to the County and the Registered Owners, specifying the date when such resignation shall take effect, in the manner required for Bond redemption notices in Section 4.11 hereof, and such resignation shall take effect upon the day specified in such notice, unless previously a successor Sinking Fund Depository shall have been appointed by the County as hereinbefore provided, in which event such resignation shall take effect immediately on the appointment of such successor.

Section 5.9. Duties upon Default. If the County fails or refuses to make any required deposit in the Sinking Funds, the Sinking Fund Depository shall (a) independent of events and actions of Registered Owners, any trustee or any court or administrative or judicial officer undertaken or occurring pursuant to the provisions of Article 6 hereof: (1) notify the Department of Community and Economic Development of such failure or refusal, in order to facilitate an inspection of the Sinking Fund by the Department pursuant to Section 8226 of the Debt Act; and (2) notify the Insurer; and (b) in conjunction with such events and actions under Article 6 hereof, may, and upon request of the Registered Owners of twenty-five percent in principal amount of outstanding Bonds and upon being indemnified against cost and expense shall, exercise any remedy, provided in Article 6 of this Debt Ordinance, in the Debt Act or at law or in equity, for the equal and ratable benefit of the Registered Owners of the outstanding Bonds, and shall disburse all funds so collected equally and ratably to the Registered Owners thereof, pursuant to the requirements of Subchapter D of Chapter 82 of the Debt Act.

Notwithstanding the foregoing, however, if, and only in the event, the payment of the Bonds has been insured to the Registered Owners thereof by a duly issued and outstanding Bond Insurance Policy, then the Sinking Fund Depository shall diligently seek recovery of funds for

the payment of the Bonds from the Insurer according to the terms of the Bond Insurance Policy and, in the event the terms of such Bond Insurance Policy are being fully met and satisfied by the Insurer, then the Sinking Fund Depository may undertake the remedies provided in subparagraph (b) of this Section 5.9 only after notice to, and with the consent of, the Insurer.

ARTICLE 6 - DEFAULTS AND REMEDIES

Section 6.1. Failure to Budget Debt Service. Subject to the provisions of Section 6.6 hereof, if applicable, if the County fails or refuses to make adequate provision in its budget for any fiscal year for the sums payable in respect of the Bonds, then at the suit of the Registered Owner of any Bond, the Court of Common Pleas of Allegheny County shall, after a hearing held upon such notice to the County as the Court may direct, and upon a finding of such failure or neglect, by writ of mandamus, require the Designated Officer to pay into such Sinking Fund the first tax moneys or other available revenues or moneys thereafter received in such fiscal year by such Designated Officer until the sum on deposit in the Sinking Fund shall equal the moneys that should have been budgeted or appropriated for the Bonds.

Section 6.2. Failure to Pay Principal or Interest. Subject to the provisions of Section 6.6 hereof, if applicable, if the County fails or neglects to pay or cause to be paid the interest or principal on any of the Bonds, as the same becomes due and payable, and such failure shall continue for thirty (30) days, the Registered Owner thereof shall, subject to any appropriate priorities created under the Debt Act, have the right to recover the amount due in an action in assumpsit in the Court of Common Pleas of Allegheny County. The judgment recovered shall have an appropriate priority upon the moneys next coming into the treasury of the County.

Section 6.3. Trustee for Registered Owners.

(a) Subject to the provisions of Section 6.6 hereof, if applicable, notwithstanding any other provision in this Debt Ordinance, if the County defaults in the payment of the principal of or the interest on the Bonds after the same shall become due, and such default shall continue for thirty (30) days, or if the County fails to comply with any provision of the Bonds or this Debt Ordinance, the Registered Owners of twenty-five percent in aggregate principal amount of the Bonds then outstanding, by an instrument or instruments filed in the office for the recorder of deeds in Allegheny County, signed and acknowledged in the same manner as a deed to be recorded, may appoint a trustee, who may be the Sinking Fund Depository, to represent the Registered Owners of all such Bonds, and such representation shall be exclusive for the purposes herein provided.

(b) Such trustee, may, and upon written request of the Registered Owners of twenty-five percent in principal amount of the Bonds then outstanding and upon being furnished with indemnity satisfactory to it must, in his or its own name take one or more of the actions set forth below and the taking of such actions precludes similar action whether previously or subsequently initiated by individual Registered Owners of the Bonds:

(1) By mandamus or other suit, action or proceeding at law or in equity, enforce all rights of the Registered Owners of the Bonds or require the County to carry out any other agreement with the Registered Owners of the Bonds;

(2) Bring suit on the Bonds without the necessity for producing them;

(3) Petition the Court to levy, and the Court is hereby empowered to levy, after a hearing upon the notice to the owners of assessable real estate that the

Court prescribes, the amount due before or after the exercise of any right of acceleration on the Bonds plus estimated costs of collection upon all taxable real estate and other property subject to ad valorem taxation within the County, in proportion to the value thereof as assessed for tax purposes, and the trustee may collect, or cause the County to collect, such amounts as by foreclosure of a mortgage or security interest on the realty or other property if not paid on demand. Any assessment levied pursuant hereto has the same priority and preference, as against other liens or mortgages on the real estate or security interests in fixtures thereon or other property, as a lien for unpaid taxes;

(4) By suit in equity, enjoin any acts or things which may be unlawful or in violation of the rights of the Registered Owners of the Bonds;

(5) After thirty (30) days prior written notice to the County, declare the unpaid principal of all the Bonds to be, which will thereby become, forthwith due and payable with interest at the rates stated in the Bonds until final payment (and, if all defaults are made good, then to annul the declaration and its consequences).

(c) If the Sinking Fund Depository is willing to serve and exercise the powers conferred upon a trustee appointed by this Section 6.3, no trustee appointed in the manner provided in this Section will have the powers herein set forth unless the appointment under this Section was executed by or pursuant to the authority of the Registered Owners of fifty-one (51%) percent of the principal amount of Bonds then outstanding.

(d) Proof of ownership of Bonds and of execution of instruments relative thereto is to be made according to the provisions of Section 8114 of the Debt Act.

Section 6.4. Costs of Suits or Proceedings. In any suit, action or proceeding by or on behalf of the Registered Owners of defaulted Bonds, the fees and expenses of a trustee or receiver, including operating costs of a project and reasonable counsel fees, constitute taxable costs, and all such costs and disbursements allowed by the court will be deemed additional principal due on the Bonds, and must be paid in full from any recovery prior to any distribution to the Registered Owners of the Bonds.

Section 6.5. Distribution of Moneys Realized for Registered Owners. Moneys or funds collected for the Registered Owners of defaulted Bonds shall, after the payment of costs and fees as provided in Section 6.4, be applied by the trustee or receiver as follows:

(a) Unless the principal of all the Bonds has become or has been declared due and payable, (i) to the payment to the Registered Owners entitled thereto of all installments of interest then due in the order of their respective due dates and, if the amount available is not sufficient to pay any installment in full, then to the payment ratably, according to the amounts due on such installment, to the Registered Owners entitled thereto, without any discrimination or preference; and (ii) to the payment to the Registered Owners entitled thereto of the unpaid principal of any Bonds which have become due, whether at stated Maturity Dates or by call for redemption, in the order of their respective due dates, and if the amount available is not sufficient to pay in full all the Bonds due on any date, then to the payment ratably, according

to the amounts of principal due on such dates, to the Registered Owners entitled thereto without any discrimination or preference;

(b) If the principal of all the Bonds has become or has been declared due and payable, to the payment of the principal and interest then due and unpaid upon the Bonds without preference or priority of principal over interest or interest over principal, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably according to the amounts due respectively for principal and interest, to the Registered Owners entitled thereto without any discrimination or preference.

Section 6.6. Bond Insurance Policy; Procedure for Payment Thereunder. Payment of the Bonds will be insured to the Registered Owners by the Bond Insurance Policy hereby authorized to be purchased upon the issuance and delivery of the Bonds.

No provisions of this Debt Ordinance, the Debt Act or otherwise arising at law or in equity for the enforcement of claims by Registered Owners for the payment of either principal or interest in respect of the Bonds may be effectuated without the consent of the Insurer, as long as the terms of the Bond Insurance Policy are being fully met and satisfied.

If the principal and/or interest due on the Bonds is paid by the Insurer pursuant to the Bond Insurance Policy, all covenants, agreements and other obligations of the County to the Registered Owners of the Bonds, under this Debt Ordinance and under the Debt Act, will continue to exist and will run to the benefit of the Insurer, who will be subrogated to the rights of the Registered Owners. Accordingly, the Sinking Fund Depository must follow all instructions of the Insurer for the prompt payment of the principal of and/or interest due on the Bonds to the Registered Owners, including provision of the Register to the Insurer, processing of checks or other remittances on behalf of the Insurer, collection of Bonds and notation of the Insurer's interests as subrogee within its records and on its books.

--END OF ARTICLE 6--

ARTICLE 7 - AMENDMENTS AND MODIFICATIONS

Section 7.1. Amendments Without Consent. The County may, from time to time and at any time, enact, execute, file with the Department and deliver to the Sinking Fund Depository, who shall accept the same, debt ordinances amending, modifying or supplemental hereto as shall not be inconsistent with the terms and provisions hereof and which shall not adversely affect the rights of the Registered Owners of the Bonds (which modifying or supplemental debt ordinances shall thereafter form a part hereof) for the following purposes:

- (a) to cure any ambiguity, formal defect or omission in this Debt Ordinance;
- (b) to grant to or confer upon the Sinking Fund Depository for the benefit of the Registered Owners of the Bonds any additional rights, remedies, powers, authority or security that may lawfully be granted to or conferred thereupon;
- (c) to add to this Debt Ordinance additional covenants and agreements thereafter to be observed by, or to surrender any right or power herein reserved to or conferred upon, the County; or
- (d) to amend the definition of the Project and change the purposes of the Bonds, in compliance with all provisions of the Debt Act.

Section 7.2. Amendments With Consent. With the consent of the Registered Owners of not less than sixty-six and two-thirds per centum (66 2/3%) in outstanding principal amount of the Bonds (and with the consent of the Insurer, if any), the County may, from time to time and at any time, enact, execute, file with the Department and deliver to the Sinking Fund Depository, who shall accept the same, debt ordinances amending, modifying or supplemental hereto for the purpose of adding any provision to or changing in any manner or eliminating any of the provisions of this Debt Ordinance or of modifying in any manner the rights of the Registered Owners of the Bonds; provided, however, that no such modifying or supplemental debt ordinance shall: (1) extend the fixed maturity date of any Bond, or reduce the principal amount thereof, or reduce the rate or extend the time of payment of interest thereon, or reduce any premium payable upon the redemption thereof, without the consent of the Registered Owner of each Bond so affected; or (ii) reduce the aforesaid percentage of Bonds, the Registered Owners of which are required to consent to any such modification or supplement, without the consent of the Registered Owners of all Bonds then outstanding. It shall not be necessary for the consent of the Registered Owners to approve the particular form of any proposed modification or supplement, if such consent shall approve the substance thereof.

Section 7.3. Acceptance of Amendment. The Sinking Fund Depository shall accept any amending, modifying or supplemental debt ordinance which the County is authorized to execute hereunder upon delivery of the following:

- (a) The amending, modifying or supplemental debt ordinance, duly executed with proof of filing with the Department; and

(b) An opinion of Bond Counsel to the effect that such amending, modifying or supplemental debt ordinance was properly enacted, executed and delivered pursuant to: (i) the provisions of Section 7.1 hereof; or (ii) the provisions of Section 7.2 hereof and that the consent of the Registered Owners of the Bonds required hereunder has been secured, and that, in all events, the enactment, execution and delivery of such debt ordinance complies with all applicable requirements of law, including the Debt Act.

Section 7.4. Effect of Amendment. Upon the execution of any amending, modifying or supplemental debt ordinance pursuant to the provisions of this Article, this Debt Ordinance shall be and be deemed to be amended, modified and supplemented in accordance therewith, and the respective rights, limitation of rights, obligations, duties and immunities of parties hereunder shall thereafter be determined, exercised and enforced hereunder subject in all respects to such amendments, modifications and supplements, and all the terms and conditions of any such debt ordinance shall be and be deemed to be part of the terms and conditions of this Debt Ordinance for any and all purposes.

Section 7.5. Notice of Amendment. Notice, including a summary description, of any amending, modifying or supplemental debt ordinance once effectuated shall be confirmed promptly to all Registered Owners and shall be given to Rating Agencies and the Insurer, if any, in the same manner as notices of redemption as in Section 4.11 hereinbefore provided.

--END OF ARTICLE 7--

ARTICLE 8 - DISCHARGE OF DEBT ORDINANCE

Section 8.1. Discharge of Debt/Defeasance. If the County shall pay or cause to be paid unto the Registered Owners the principal of, the interest on and the premium, if any, on the Bonds, at the times and in the manner stipulated therein, then this Debt Ordinance and the estate and rights hereby granted shall cease, determine and be void, and thereupon the Sinking Fund Depository shall release, cancel and discharge the lien and obligations of this Debt Ordinance and deliver to the County any funds or documents at the time subject to the lien of this Debt Ordinance which may then be in its possession; provided, however, that until such time as full and complete payment is so made, this Debt Ordinance shall be and remain in full force and effect.

Bonds, for the payment or redemption of which cash and/or securities which upon maturity will yield funds in the full amount required therefor shall have been deposited with the Sinking Fund Depository, whether upon or prior to the Maturity Date or the Redemption Date of such Bonds, shall be deemed to be paid within the meaning of this Article, provided, however, that if such Bonds are to be redeemed prior to the Maturity Date(s) thereof, notice of such redemption shall have been duly given or adequate provision shall have been made thereof.

In the event that the principal and/or interest due on the Bonds is paid by the Insurer pursuant to the Bond Insurance Policy, the Bonds will remain outstanding for all purposes, not be defeased or otherwise satisfied and not be considered paid by the County, until full, proper and complete payment and reimbursement is made to the Insurer by the County pursuant to the Bond Insurance Policy.

--END OF ARTICLE 8--

ARTICLE 9 - FEDERAL INCOME TAX COVENANTS

Section 9.1. Compliance in General. The County hereby states its intention to comply with all the provisions of Sections 103 and 141 through 150, inclusive, of the Internal Revenue Code of 1986, as amended (the "Tax Code"); the County represents and covenants that it has undertaken and performed, and will undertake and perform, or, as appropriate, discontinue, upon the instruction of Bond Counsel, all those acts necessary and proper to the maintenance of the exclusion from gross income of the interest on the Bonds to the Registered Owners thereof conferred by said Sections, as interpreted by applicable regulations, rulings or other pronouncements of the Secretary of the United States Department of the Treasury.

Section 9.2. Not a Private Activity Bond; Taxing Powers. The County covenants that the Bonds are not an issue: (1)(a) more than 10% of the proceeds of which are to be used for any private business use, and (b) the payment of the principal of, or the interest on, more than 10% of the proceeds, directly or indirectly, is (x) secured by any interest in property used or to be used for a private business use, or payments in respect of such property, or (y) to be derived from payments in respect of property, or borrowed money, used or to be used for a private business use; nor (2) the proceeds of which, in an amount exceeding the lesser of 5% of such proceeds, or \$5,000,000, are to be used to make or finance loans to persons other than governmental units.

The County certifies that it is a political subdivision of the Commonwealth of Pennsylvania and governmental unit with general taxing powers.

Section 9.3. Non-Arbitrage. The County covenants that no portion of the proceeds of the Bonds is reasonably expected (at the time of issuance of the Bonds) to be used, nor will intentionally be so used, directly or indirectly, (1) to acquire higher yielding investments, or (2) to replace funds which were used directly or indirectly to acquire higher yielding investments. This prohibition will not apply to proceeds invested in higher yielding investments (a) for a reasonable temporary period until such proceeds are needed for the purpose of the Bonds, or (b) as a part of a reasonably required reserve or replacement fund. For these purposes, "higher yielding investment" means any investment property (generally, a security or debt obligation) which produces a yield over the term of the Bonds which is materially higher than the yield on the Bonds, but does not include any tax-exempt Bond.

Section 9.4. Required Rebate. The County covenants to pay and rebate its arbitrage profits (being an amount equal to the sum of: (1) the excess of (a) the amount earned on all nonpurpose investments over (b) the amount which would have been earned if such nonpurpose investments were invested at a rate equal to the yield on the Bonds; plus (2) any income attributable to the excess [including any gain or loss on the disposition of a nonpurpose investment]) to the United States in accordance with the provisions of Section 148(f) of the Tax Code and regulations thereunder, but only as and to the extent that none of the following exceptions apply to the County.

Exceptions. Rebate to the United States as described above shall not be required of the County if, and in the event that any one of the following exceptions applies: (i) **SIX MONTH SAFE HARBOR** -- the gross proceeds of the Bonds are expended for the Project by no later than the day which is six months after the date of issuance of the Bonds, or, the gross proceeds,

except the lesser of five percent of the gross proceeds of the Bonds, or \$100,000, are so expended and such remaining portion is expended by no later than the day which is one year after the date of issuance of the Bonds; (ii) **18-MONTH SPEND-DOWN** -- the following cumulative percentages of the gross and investment proceeds of the Bonds are expended for the Project by no later than the day which is the indicated period of time following the date of issuance of the Bonds: 15% -- six months; 60% -- one year; 100% -- eighteen months (except that not more than 5%, representing only reasonable retainage on the costs of the Project, may remain unexpended after eighteen months, but not in excess of thirty months); (iii) **TWO YEAR SPEND-DOWN (CONSTRUCTION ISSUES ONLY)** -- the following cumulative percentages of available construction proceeds of the Bonds are expended for the Project by no later than the day which is the indicated respective period of time following the date of issuance of the Bonds: 10% -- six months; 45% -- one year; 75% -- eighteen months; 100% -- two years (except that not more than 5%, representing only reasonable retainage on the costs of the Project, may remain unexpended after two years, but not in excess of three years); or (iv) **SMALL ISSUER** -- (a) 95 percent or more of the net sale proceeds (being gross proceeds minus amounts deposited into a reasonably required reserve fund) of the Bonds is to be used for local governmental activities of the County (or a subordinate entity), and (b) the aggregate face amount of all tax-exempt Bonds, other than private activity Bonds, issued by the County, and all subordinate entities thereof (but not including any Bond not outstanding or to be redeemed, as may be excluded under prevailing interpretations of the Tax Code and regulations thereunder), during the calendar year in which the Bonds are issued, is not reasonably expected to exceed \$5,000,000.

For these purposes, "gross proceeds" means any proceeds and replacement proceeds of the Bonds, "available construction proceeds" has the meaning used in §148(f)(4)(C)(vi) of the Tax Code, "sale proceeds" means all amounts actually or constructively received from the sale of the Bonds, except accrued interest on the Bonds deposited to the Sinking Fund, and "nonpurpose investment" means any investment property acquired with the gross proceeds of the Bonds and not required to carry out the governmental purpose of the Bonds.

Section 9.5. Information Reporting. The County shall prepare, or cause to be prepared, execute and submit to the Secretary IRS Form 8038-G (or 8038-GC, as applicable) according to all the requirements for information reporting contained in Section 149(e) of the Tax Code.

--END OF ARTICLE 9--

ARTICLE 10 - FEDERAL SECURITIES LAW COVENANTS

Section 10.1. Compliance in General. The County hereby states its intention to comply, and to facilitate compliance by the Purchaser and other related parties, with all the provisions of Rule 15c2-12 of the Securities and Exchange Commission (the “Rule”), including for this purpose the related body of securities disclosure and anti-fraud laws, both statutory and common; the County represents and covenants that it has undertaken and performed, and will undertake and perform, or, as appropriate, discontinue, upon appropriate instructions of Bond Counsel or otherwise, all those acts necessary and proper for compliance with the Rule, as interpreted by applicable regulations, rulings or other pronouncements of the Securities and Exchange Commission, or other appropriate regulatory body.

Section 10.2. Official Statement. The County acknowledges that preparation of the Official Statement by counsel to the Purchaser, with commentary from other professional advisors, was done on its behalf and for its benefit, as an agent, and that, in particular, while matters of style and format may have originated with such counsel, all substantive data and information was provided by the County. The County, upon review as to completeness and accuracy, hereby deems the Preliminary Official Statement final as of its date, and certifies the Preliminary Official Statement did not and does not, as of its date and as of this date, contain any untrue statements of a material fact or omit to state any material fact which should be included therein in order to make the statements contained therein, in the light of the circumstances under which they were made, not misleading, as required by statute, regulation or substantive law. The distribution of the Preliminary Official Statement by the Purchaser is hereby ratified and approved. The County hereby covenants to provide a final Official Statement to the Purchaser within seven business days of the date of acceptance of the Purchase Proposal. The Designated Officer is hereby authorized and directed to execute the same with such completions therein from the preliminary document as may be necessary and, provided further, that execution of a certificate concurrently upon, or subsequent to, preparation of the final Official Statement, including any settlement certificate, by a Designated Officer, regarding the truth and accuracy of the final Official Statement is tantamount to execution of the original document and full and sufficient authority for the printing of one or more conformed signatures therein. The County hereby covenants that the same representations regarding finality and completeness made regarding the Preliminary Official Statement will be true of the final Official Statement as of its date and as of Settlement. The Purchaser is authorized to use the final Official Statement in connection with the sale of the Bonds.

Section 10.3. Continuing Disclosure. This Bond is one of a duly authorized series of Bonds, designated "General Obligation Bonds, Series C-61" of the County (the "Bonds"), issued in accordance with Local Government Unit Debt Act of the General Assembly of the Commonwealth of Pennsylvania, as codified by the Act of December 19, 1996 (P.L. 1158, No. 177) (the "Debt Act"), pursuant to all the terms and provisions of the formal action of the County (the "Debt Ordinance"), and with the approval of the Department of Community and Economic Development of the Commonwealth of Pennsylvania.

Interest payable on any Interest Payment Date will be paid to the person in whose name this Bond is registered at the close of business on the May 15 and November 15 (the "Record Date") immediately preceding the applicable Interest Payment Date. Any such interest which is not deposited with the Sinking Fund Depository on or before any such Interest Payment Date for payment to the Registered Owner of record on the Record Date will forthwith cease to be payable to such Registered Owner on the Record Date, and will be paid to the person in whose name this Bond is registered on a Special Record Date for the payment of such defaulted interest to be fixed by the Sinking Fund Depository, notice of which shall be given to all Registered Owners not less than 10 days prior to such Special Record Date.

The Bonds maturing after December 1, _____ are subject to redemption at the option of the County prior to their stated Maturity Dates, as a whole or in part from time to time, by lot within a maturity, on _____ 1, _____ and on any date thereafter, upon payment of the Redemption Price of 100% of the principal amount thereof, together with interest accrued to the date fixed for redemption.

If less than all Bonds maturing on any one date are to be redeemed at any time, the Bonds to be called for redemption at such time will be chosen by the Sinking Fund Depository, by lot.

Notice of redemption of any Bond will be given to the Registered Owner of such Bond by first class mail, not less than thirty (30) nor more than sixty (60) days prior to the redemption date, all in the manner and upon the terms and conditions set forth in the Debt Ordinance. A portion of a Bond of a denomination larger than \$5,000 may be redeemed, and in such case, upon the surrender of such Bond, there will be issued to the Registered Owner thereof, without charge therefor, a registered Bond or Bonds for the unredeemed balance of the principal amount of such Bond, all as more fully set forth in the Debt Ordinance. If notice of redemption has been duly given, the Bonds or portions thereof specified in that notice become due and payable at the

applicable Redemption Price on the designated redemption date, and if, on such date, moneys are held by the Sinking Fund Depository for the payment of the Redemption Price of the Bonds to be redeemed, together with interest to the date fixed for redemption, then from and after such date interest on such Bonds ceases to accrue.

The County, pursuant to recommendations made by the Committee on Uniform Security Identification Procedures, has caused CUSIP numbers to be printed on the Bonds, and has directed the Sinking Fund Depository to use such numbers in notices of redemption and other notices, if any, as a convenience to the Registered Owners of the Bonds. No service charge shall be imposed on any Registered Owner of any Bond for any transfer or exchange of any Bond, but the County may require payment of any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds.

The County is not required to register the transfer or exchange of any Bond: (a) during the period of (15) business days before any (i) date of selection of Bonds to be redeemed or (ii) date of maturity; or (b) after such Bond has been selected for redemption.

Subject to the provisions of this Bond and of the Debt Ordinance, the Sinking Fund Depository may treat the Registered Owner of this Bond as the absolute owner hereof, for all purposes, whether or not this Bond shall be overdue, and neither the County nor the Sinking Fund Depository shall be affected by any notice to the contrary.

This Bond is hereby declared to be a general obligation of the County. The County hereby covenants with the Registered Owner of this Bond to include the amount necessary to pay the debt service hereon, in each fiscal year for which such sums are due, in its budget for that year, to appropriate such amounts from its general revenues to the payment of such debt service and to duly and punctually pay or cause to be paid from its Sinking Fund or any other of its revenues or funds the principal of this Bond and the interest hereon on the dates, at the place and in the manner stated herein, according to the true intent and meaning hereof.

No recourse shall be had for the payment of the principal of or the interest on this Bond, or for any claim based hereon, against any officer, agent or employee, past, present or future, of the County, as such, either directly or through the County, whether by virtue of any constitutional provision, statute or rule of law, or by the enforcement of any assessment or penalty, or otherwise; all such liability of such officers, agents or employees is hereby renounced, waived and released as a condition of and as consideration for the issuance and acceptance of this Bond.

This Bond will not be valid or become obligatory for any purpose unless the Certificate of Authentication is signed by the manual signature of an authorized signatory of the Sinking Fund Depository.

IN WITNESS WHEREOF, the County of Allegheny has caused this Bond to be duly executed in its name by the facsimile signature of the County Manager, together with a facsimile of its corporate seal affixed hereto.
