

**MOTION EXPRESSING THE SENSE OF COUNCIL OF ALLEGHENY COUNTY,**  
urging the Pennsylvania General Assembly to increase the number of revenue options available  
to Allegheny County in order to equitably ensure that dedicated funding for mass transit within  
the County can be realized.

**WHEREAS**, Act 44 of 2007 explicitly authorizes Allegheny County to enact a tax on  
alcoholic beverages and/or a tax on rental vehicles within Allegheny County as a means of  
securing dedicated funding for the Port Authority of Allegheny County's mass transit services;  
and

**WHEREAS**, although these two options provide more flexibility in taxation than was  
previously available to Allegheny County, several alternative options were originally contained  
within Act 44; and

**WHEREAS**, the removal of these alternative revenue options has in effect placed the  
entire burden of providing dedicated funding on two specific businesses within Allegheny  
County; and

**WHEREAS**, during the course of Council's deliberations on the imposition of these two  
new taxes, it has become evident that alternative revenue options would permit the imposition of  
a lesser revenue burden on a greater cross section of the community; and

**WHEREAS**, it is the judgment of Council that the flexibility to implement a lesser  
revenue burden on a greater number of taxpayers is inherently desirable;

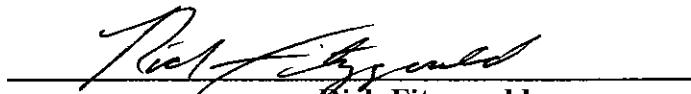

**NOW, THEREFORE, IT IS MOVED** that the Council hereby urges the Pennsylvania General  
Assembly to increase the number of revenue options available to Allegheny County within Act  
44 of 2007 in order to equitably ensure that dedicated funding for mass transit within the County  
can be realized.
