ORDINANCE

An Ordinance of the County of Allegheny, Commonwealth of Pennsylvania, amending the County's Administrative Code to increase the annual salary of the Allegheny County Chief Executive effective January 1, 2020, and to provide for an annual revision of the Chief Executive's salary in succeeding years based upon certain criteria, as authorized by Article III, §7(d) of the Home Rule Charter of Allegheny County.

WHEREAS, the final Report of the Allegheny County Government Review Commission to the People of Allegheny County was released on March 29, 2016; and

WHEREAS, the Government Review Commission recommended, among other things, that County Council should amend the Administrative Code: a) to adjust the Chief Executive's salary beginning on January 1, 2020 so that the salary would be 68% of the Governor's salary for 2020, the same percentage that the Chief Executive's salary was when the Home Rule Charter went into effect in 2000; and b) to include procedures for automatically adjusting the compensation of the Chief Executive as permitted under the Home Rule Charter; and

WHEREAS, the Government Review Commission referenced that if this procedure were adopted in 2016, the Chief Executive's salary would be \$129,760.00; and

WHEREAS, because no adjustments have ever been made to the Chief Executive's salary, it is currently 47% of the Governor's salary; and

WHEREAS, Article III, §7(d) of the Allegheny County Home Rule Charter states, "[t]he Chief Executive's annual salary shall be \$90,000 which may be adjusted annually as provided in the Administrative Code;" and

WHEREAS, Paragraph A of §5-401.08 of the County's Administrative Code currently states in part:

Salary. The Chief Executive's initial annual salary shall be \$90,000. The Chief Executive's salary may be adjusted by ordinance adopted by County Council in accordance with the Pennsylvania Constitution and the provision governing adoption of ordinances set forth in Article 311 of this Administrative Code; provided, however, that they adjustment shall not exceed the cumulative average of annual salary increases provided in all collective bargaining agreements of County employees.

WHEREAS, County Council has not enacted any ordinances since the adoption of the Administrative Code in 2000 to provide for an annual adjustment of the Chief Executive's salary as authorized under the Home Rule Charter and Administrative Code; and

WHEREAS, it is the judgment of County Council that an increase in the Chief Executive's salary effective January 1, 2020 as well as providing for an annual adjustment of the Chief Executive's salary as authorized by the Administrative Code is equitable and desirable in order to account for inflation since 2000 and to ensure that the Chief Executive's salary is sufficient to attract qualified candidates to seek the office in the future.
