Dear Council Members:

Please find the attached resume of Mr. Larry Simmons, whom I am recommending for reappointment to the Air Pollution Control Advisory Committee ("Air Pollution Committee").

The Air Pollution Committee recommends to the Board of Health additions and changes to the rules and regulations, and advises the Department and Board of Health on matters relative to the control of air quality in Allegheny County. If reappointed, Mr. Simmons will serve until the end of his position's current term, February 18, 2003.

Mr. Simmons is an exemplary member of the Air Pollution Committee. He draws from a long list of relevant career experiences and brings a high-level of skill to the problem-solving efforts of the Committee. His work has, in fact, been invaluable to the Air Quality Program in some instances.

I appreciate your consideration and ask you to act on this appointment as quickly as possible. Mr. Simmons will make himself available for review before the full Council or the appropriate committee if members of Council wish to speak with him.

Sincerely,

James C. Roddey
