Dear Council Members:

Please find the attached resume of Thomas Sray, whom I am recommending for reappointment to the Conservation District Board.

The Conservation District was established in 1964 by a resolution of the County Commissioners, as stated in the Soil and Water Conservation District Law Act of 1945. This board provides technical advice on matters such as flood prevention; erosion and sedimentation; pollution control and preservation, development and improvement of agricultural land. I am recommending that Mr. Sray serve a term to expire on December 31, 2018.

Mr. Sray was a South Fayette Township Commissioner. He was previously employed at Union Electric Steel/AMPCO Pittsburgh.

I appreciate your consideration, and ask you to act on this appointment as quickly as possible. Mr. Sray will make himself available for review before the appropriate committee if members of Council wish to speak with him.
