ALLEGHENY COUNTY COUNCIL

Honorable President and Members
Allegheny County Council
119 Courthouse
Pittsburgh, PA 15219

'09 MAR 12 AM 11:16

Dear Council Members:

Please find the attached resume of Louis A. Naugle, whom I am recommending for reappointment to the Air Pollution Control Advisory Committee.

The Air Pollution Control Advisory Committee currently operates under Section 2101.07 of Article XXI of the Allegheny County Health Department. The Committee recommends to the Board of Health additions and changes to the rules and regulations, and advises the Department and Board of Health on matters relative to the control of air quality in Allegheny County. I am recommending that Mr. Naugle serve another 1 year term, which will expire on December 31, 2009.

Mr. Naugle is the Practice Group Leader of Reed Smith's Environmental Group. He has been in the practice of environmental law since 1975. Mr. Naugle devotes a significant portion of his practice to counseling clients on compliance issues, corrective action and permitting questions involving air, water, residual/hazardous waste, and underground storage tanks.

I appreciate your consideration, and ask you to act on this appointment as quickly as possible. Mr. Naugle will make himself available for review before the appropriate committee if members of Council wish to speak with him.

Sincerely,

Dan Onorato
Allegheny County Executive

Lou is the Practice Group Leader of the firm's Environmental Group. Lou has been active in the practice of environmental law since 1975. His practice includes both litigation and environmental counseling and due diligence, including brownfields development. He has extensive litigation experience in permitting and compliance/enforcement proceedings and has represented clients in civil enforcement and criminal investigation proceedings in New York, Ohio, and Pennsylvania.

Lou also devotes a significant part of his practice to counseling clients on compliance issues, corrective action and permitting questions involving air, water, residual/hazardous waste, PCBs, underground storage tanks, mining, and oil and gas matters. He regularly provides environmental due diligence assistance for clients, including lending institutions, and has been involved in conducting environmental due diligence in transactions encompassing the transfer of industrial and commercial property in more than 40 states. Lou has extensive experience assisting a diverse mix of clients, including colleges, economic development agencies, private developers, charitable foundations, and commercial and industrial companies, in remediating brownfield sites under Pennsylvania's "Act 2" Program. He has also represented and advised clients on state voluntary clean-up programs, transfer acts, and disclosure obligations throughout the continental United States.
