Dear Council Members:

Please find the attached resume of Barney Guttman, whom I am recommending for reappointment to the Industrial Development Authority, Hospital Development Authority, Higher Education Building Authority and Residential Finance Authority. These authorities are referred to as and are administered collectively through the Finance & Development Commission ("Commission"). The County created the Commission in order to consolidate the memberships and meetings of the authorities. Pending confirmation, Mr. Guttman will serve an additional five-year term, ending on December 31, 2007.

Mr. Guttman has considerable financial expertise and experience, and therefore has made very valuable contributions to the work of the Commission. He has also been a consistent and active member.

I appreciate your consideration and ask you to act on this reappointment as quickly as possible. Because Mr. Guttman was interviewed by Council for his previous appointment, I recommend that his interview with the Council Committee on Appointment Review be waived.

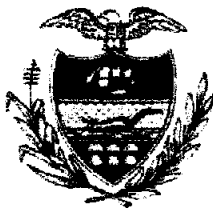

Sincerely,
