

**No. 01-24-RE**

**A RESOLUTION**

A Resolution providing for a program of temporary exemption from County real property taxes for improvements, including repairs, construction, or reconstruction, made on industrial, commercial or business property in a deteriorated area in the City of Pittsburgh, County of Allegheny (“County”), Commonwealth of Pennsylvania, pursuant to the Local Economic Revitalization Tax Assistance Act, Pa. Stat. Ann. tit. 72 §4722 et seq.

**Whereas**, The Local Economic Revitalization Tax Assistance Act (“LERTA”), Pa. Stat. Ann. tit. 72 §4722 et seq., authorizes local taxing authorities to exempt from real estate taxation, for specific periods, the assessed valuation of improvements to deteriorated industrial, commercial and other business property; and

**Whereas**, the City of Pittsburgh (“City”) consolidated several real estate tax abatement programs pursuant to City Resolutions 29 and 30 of 2019 effective July 1, 2020 (hereinafter referred to as “the enhanced abatements”) to create enhanced, by-right abatements throughout the entire City of Pittsburgh; and

**Whereas**, the City’s enhanced abatements are available to provide incentives for affordable housing creation and preservation, job creation, and investment in deteriorated areas; and

**Whereas**, the County, through its Department of Economic Development, recommends that a LERTA Exemption program be implemented within the City to provide similar incentives; and

**Whereas**, after conducting a public hearing, the City Council of the City of Pittsburgh has determined and designated that a certain geographic area within the City of Pittsburgh, the boundaries of which are more specifically set forth in Attachment “A” hereto, constitutes a deteriorated area under LERTA (hereinafter the “Deteriorated Area”); and

**Whereas**, the Deteriorated Area is otherwise bound by the Allegheny River to the North and West, the Monongahela River to the South and West, and its Eastern boundary follows I-579 from the Monongahela River until it intersects with Norfolk Southern’s railroad tracks under the Veteran’s Bridge and then runs along the curve of the railroad track until intersecting with the Allegheny River (visible in “Attachment A”); and

**Whereas**, properties within the active Tax Increment Financing (“TIF”) districts known as the Fifth and Market TIF District and the Gardens at Market Square District, as well as any

other active TIF districts that may exist within the Deteriorated Area, would not be eligible for this LERTA Exemption program; and

**Whereas**, the Deteriorated Area serves as the economic and symbolic core of the region and is zoned to allow for business, commercial, and residential uses; and

**Whereas**, the LERTA Exemption program herein will allow for certain County taxes to be abated within the Deteriorated Area for a period of ten (10) years; and

**Whereas**, the Council of the County of Allegheny ("Council") finds that the implementation of a LERTA Exemption program to temporarily exempt increases in assessed valuation resulting from improvements made to industrial, commercial, and other business property within the Deteriorated Area in the City of Pittsburgh specifically described in Attachment "A" from County real property taxation would contribute to the general welfare of the citizens of the County by spurring economic activity and development.

- (a) At the time that the Property Owner secures a building permit for Construction, Reconstruction or Improvement, the Property Owner desiring the Exemption pursuant to this Resolution shall file a request in writing for Exemption on a form (hereinafter the "Exemption Request") proscribed by the City or the County. The Property Owner shall file the form with the City, and a copy shall be delivered to the Allegheny County Office of Property Assessment ("Office").

- (b) The Exemption Request must be made between January 1, 2024 and January 1, 2027 to be considered for this Exemption program.
- (c) The Property Owner must provide and certify on the Exemption Request the following information:
  - 1. Name and address of Property Owner.
  - 2. Lot and block number of the Deteriorated Property.
  - 3. The initial Assessed Valuation of the Deteriorated Property.
  - 4. The current year County taxes on the Deteriorated Property.
  - 5. The date the building permit was issued for the Construction, Reconstruction or Improvement(s).
  - 6. The summary of the plan of Construction, Reconstruction or Improvement(s).
  - 7. The anticipated date of completion.
  - 8. The actual costs of Construction, Reconstruction or Improvement(s).
  - 9. A statement indicating that there is not a Tax Delinquency on the Deteriorated Property, or any other property owned by the Property Owner, or any property owned by a partnership in which Property Owner is a partner, or on any property owned by any individual partner or investor with 10% or greater ownership interest in Property Owner.
  - 10. Such other information as may be necessary to process such application for Exemption.
  - 11. Planned use of the Deteriorated Property and certification that said use will be in compliance with the provisions and limitations set forth in this Resolution.

Such Minimum Tax Payment shall be equal to the taxes attributable to the assessed value of the Deteriorated Property on the date the exemption request is filed. For purposes of this LERTA Exemption program, in the event of a successful appeal of the assessed value of the Deteriorated Property, the Minimum Tax Payment will be unaffected.
- (e) Performance Objectives and Eligibility Requirements. For purposes of determining eligibility for the Exemption defined in Section 5 above, a following performance objective must be met: setup
  - 1. A Project not to be occupied by the property owner must include at least ten (10) percent of total residential units that are affordable to and occupied by households earning at or below fifty (50) percent

of the area median income (AMI), as determined by the U.S. Department of Housing and Urban Development, for commercial residential developments (i.e. developments where greater than 50 percent of the building gross square footage is for commercial residential use); or

2. A Project not to be occupied by the property owner must include at least sixty (60) percent of the total residential units that are affordable to and occupied by households earning at or below eighty (80) percent of the area median income, as determined by the U.S. Department of Housing and Urban Development, for commercial residential developments (i.e. developments where greater than fifty (50) percent of the building gross square footage is for commercial residential use); or
  3. A Project must increase the net number of full-time equivalent positions ("FTEs") by no less than fifty (50) FTEs for commercial and industrial developments (i.e. developments where greater than fifty (50) percent of the building gross square footage is for commercial or industrial use).
- (f) For purposes of determining eligibility for the Exemption defined in Section 5 above, any project where retail is the primary end use of the building, defined as greater than fifty (50) percent of the gross square footage of the building being designated or utilized for retail use, is not eligible for the Exemption.
- (g) The Exemption Request shall be filed by the Property Owner with the Office no later than ninety (90) days after the date the building permit is issued. The ninety (90) day time period for filing the Exemption Request shall commence with Day 1 being the first full twenty-four-hour business day after the building permit is issued. Failure to submit such Exemption Request within this time period shall give the County the right to deny any Exemption claimed pursuant to this Resolution for the initial tax year after completion of the Construction, Reconstruction or Improvement(s), thereby limiting the length of the schedule of taxes exempted to less than the ten-year maximum period established under this Resolution.
- (h) When the Construction, Reconstruction or Improvement(s) has been completed, the Property Owner shall notify the Office in writing. Such notice must occur within ninety (90) days of completion. Failure to submit such notice within this time period shall give the County the right to deny any or all of the Exemption claimed pursuant to this Resolution for the initial tax year after completion of the Construction, Reconstruction or Improvement(s), thereby limiting the length of the schedule of taxes exempted to less than the ten-year period established

under this Resolution. The notice of completion shall include the following information:

1. Name and address of the Property Owner.
  2. Lot and block number of the Deteriorated Property for which the Exemption is sought.
  3. The date that the Construction, Reconstruction or Improvement(s) was completed.
  4. Any modification to the plan of Construction or Reconstruction or Improvement(s) as previously submitted.
  5. The final, adjusted actual costs of Construction, Reconstruction or Improvement(s).
  6. Certification that the use of the property or properties is or will be in compliance with the provisions and limitations set forth in this Resolution.
- (i) In order to be eligible for Exemption, Construction, Reconstruction or Improvement(s) must be completed within three (3) years from the Exemption Request.
- (j) The Office shall, after notice in writing and with prior physical inspection, assess the Deteriorated Property to determine the valuation attributable to the Construction, Reconstruction or Improvement(s) eligible for Exemption under this Resolution.
- (k) The Office shall provide to the County and the Property Owner the following information in writing:
1. The Assessed Valuation of the Deteriorated Property prior to Construction, Reconstruction or Improvement(s).
  2. The increase in Assessed Valuation attributed to the Construction, Reconstruction or Improvement(s).
  3. The amount of increased Assessed Valuation eligible for Exemption.
  4. The Calendar Year in which the Exemption shall commence.

The Treasurer or collector of real estate taxes for the County shall then exonerate that Assessed Valuation increase and refund the amount of taxes attributable to the Exemption in accordance with the Exemption Schedule. The Treasurer, however, shall not exonerate taxes if there exists any Tax Delinquency with respect to the Deteriorated Property for which the Exemption is sought or any property in the County owned by the Property Owner or if any Disqualifying Event described in Section 5 (f) shall occur.

- (l) Appeals from the valuation and the amount eligible for Exemption may be taken by the Property Owner or any local taxing authority as provided by

Articles 207 and 209 of the Allegheny County Administrative Code, the County's Assessment Standards and Practice Ordinance or other applicable law or ordinance.

***Section 7.     Transferability.***

The Exemption from taxes authorized by this Resolution shall be upon the Deteriorated Property exempted and shall not terminate upon the sale, exchange or other alienation of such property unless otherwise provided.

***Section 8.     Intergovernmental Cooperation Agreement.***

If required, the proper officials of the County are hereby authorized to enter into an intergovernmental cooperation agreement pursuant to the Intergovernmental Cooperation Act, Pa. Cons. Stat. The intergovernmental cooperation agreement shall be subject to review and approval as to form by the County Solicitor.

***Section 9.     Rules and Regulations.***

The County Manager, Office and/or Department of Economic Development are, jointly and severally, authorized to adopt rules and regulations, if necessary, to implement this Resolution.

The County Manager, or their designee, will provide Council with updates on this LERTA Exemption program, including ongoing notice as Exemptions Requests are filed, as well as a quarterly update on exemptions granted, potential revenue foregone, and other appropriate metrics in gauging the economic benefit of the program.

***Section 10    Effective Date; Term.***

This Resolution shall enter into effect immediately following its adoption. Exemption Requests must be submitted between January 1, 2024 and January 1, 2027. The Exemption period for a successful applicant shall be for a period of ten (10) years as described above, unless otherwise terminated by the County in accordance with applicable law.

***Section 11.   Severability.***

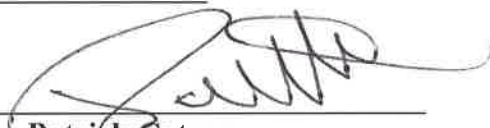

***If any provision of this Resolution shall be determined to be unlawful, invalid, void or unenforceable, then that provision shall be considered severable from the remaining provisions of this Resolution which shall be in full force and effect.***

***Section 12.   Repealer.***

*Any resolution or ordinance or part thereof conflicting with the provisions of this Resolution is hereby repealed so far as the same affects this Resolution.*
