IV. Agenda Items**Discussion Topic****Status of County Revenue Presented by Allegheny County Treasurer John K. Weinstein**

At the request of the Chair, Ms. Vinci gave a brief presentation in which she highlighted the County's total revenue collections summary, the stability in the County's cash receipt pattern from 2016 to 2017, the revenue received from the Airport Authority as a reimbursement for County Police services, property tax collections (not accounting for refunds due to appeal and other refund-like factors), alcoholic beverage tax collections, rental vehicle tax collections, state sales tax revenue receipts, hotel tax revenue receipts, interest income, state gaming revenue receipts, revenue received from licensing activities, and ATM fee revenues. Ms. Vinci noted that, overall, revenues are up from 2016 to 2017, although some individual revenues are down somewhat due to factors like fewer entities renting vehicles in the County and the shift from annual dog licenses to lifetime dog licenses.

Mr. Palmiere suggested that one of the favorable factors for certain revenue sources like the alcoholic beverage tax is likely the success of local professional sports teams.

In response to a question from Mr. Palmiere, Ms. Vinci noted that it is a significant achievement to have increasing revenues, despite difficult times for many local governments.

Ms. Means thanked Ms. Vinci for the efficiency of the Office of the Treasurer.

In response to a question from the Chair, Ms. Vinci indicated that she was not aware of any significant or surprising revenue issues, apart from the uncertainty that can come along with relying upon the budgetary actions of the Commonwealth and federal governments.

V. Adjournment

The meeting adjourned at 4:21.
