A Resolution approving a Project for the benefit of Robert Morris University, a nonprofit corporation organized under the laws of the Commonwealth of Pennsylvania (the "University") to be financed by the Allegheny County Higher Education Building Authority by the issuance of the Authority's tax-exempt bonds, to be issued in one or more series, in the aggregate principal amount not expected to exceed \$31,000,000, provided that the taxing power of the County of Allegheny, Pennsylvania (the "County"), shall not be obligated in any way with respect to the Bonds (hereinafter defined), and determining that the purpose of the financing will be to benefit the health and welfare of the citizens of Allegheny County, Pennsylvania.

Whereas, the Allegheny County Higher Education Building Authority (the "Authority") was created by the County under the Municipality Authorities Act, approved June 19, 2001, P.L. 287, No. 22, as amended (the "Act"), of the Commonwealth of Pennsylvania; and

Whereas, the Authority has been requested by the University to issue one or more series of its tax-exempt revenue bonds and taxable revenue bonds to be designated "Allegheny County Higher Education Building Authority University Revenue Bonds, Series of 2016 (Robert Morris University)" or such other designations as the Authority deems appropriate (the "Bonds") in an aggregate principal amount not expected to exceed \$31,000,000 to provide long-term financing of: (a) the advance refunding of all or a portion of the Authority's University Revenue Bonds, Series A of 2008 (Robert Morris University); (b) all or a portion of the costs of acquiring, renovating, equipping, and furnishing the real property located at 6001 University Boulevard; Moon Township, Pennsylvania 15108 for use primarily as a student housing facility for the

University; (c) miscellaneous capital expenditures now being incurred and expected to be incurred at the University's main campus and/or at the University's downtown Pittsburgh campus; (d) the funding of capitalized interest; (e) the funding of any necessary debt service reserve; (f) all or a portion of the costs of such financing, including the cost of credit enhancement; and/or (g) the issuance of the Bonds (as hereinafter defined); (collectively, the "Project").

Whereas, the Authority is authorized under the Act to issue its bonds for the purposes aforesaid, and the Authority has determined that the public interest will be served and that the purposes of the Act can be fulfilled by the Authority's issuance of bonds in order to obtain funds to loan to the University for the foregoing purposes; and

Whereas, Section 5607(b)(2)(iv) of the Act provides, among other things, that school building projects and facilities to be leased to or financed with loans to private, nonprofit, nonsectarian secondary schools, colleges and universities, state-related universities and community colleges serving the public, such as the University, may be financed by an authority created under the Act, if the municipality organizing such authority declares by resolution or ordinance that it is desirable for the health, safety and welfare of the people in the area served by such projects and facilities to have such projects and facilities provided by, or financed through, such authority; and

Whereas, neither the Bonds nor the approval granted hereby shall obligate the taxing power of the County in any way and the Bonds shall be limited obligations of the Authority, payable solely from revenues pledged for payment therefor.

The Council of the County of Allegheny hereby resolves as follows:

The provisions set forth in the preamble to this Resolution are incorporated by reference in their entirety herein.
