Certificate of Recognition presented to Busy Beaver Building Centers upon the occasion of the grand opening of its first True Value hardware store in Moon Township.

Body...

This Certificate of Recognition is awarded to Busy Beaver Building Centers Inc. upon the occasion of the grand opening of its first True Value hardware store in Moon Township. The new 9,000-square-foot store, located at 1011 Beaver Grade Road, Coraopolis, Pennsylvania, will carry a range of paint, lawn and garden, hardware, electrical, plumbing, pet supplies and other items. True Value offers a compelling store format that raises the bar for the retail experience, a focus on local expert advice and superior customer service, merchandise geared to today's do-it-yourself enthusiasts, increased brand recognition through national marketing and advertising, and active involvement in the communities they serve. On July 9, 2016, a ribbon-cutting ceremony will begin the grand opening celebration which will include a huge sale and great family activities. This Council extends a warm welcome to True Value of Moon Township, and we look forward to their business serving our community.
