WHEREAS, as a modest servant to the residents of Bethel Park, ***Mr. Moury*** has constantly broken barriers to help enrich the lives of those in the community. Throughout his time on Council, ***Mr. Moury*** has served the wider community in a number of capacities by: working with financial advisors to refinance bonds, offering an alternative approach to fund projects without increasing taxes and cutting the budget; conducted fundraiser campaigns with the American Legion to establish Bethel Park Veterans Memorial honoring more than 3,600 Bethel Park veterans which includes the 42 residents who gave the ultimate sacrifice; establishing the Veterans Memorial Fund; working with the Port Authority to preserve T stops throughout Bethel Park; raising over one million dollars for the School of Arts/Bethel Park Historical Society; working with Bethel Park School District and County

Executive to install lights on all community fields; organizing “National Night Out” in August of 2016; acquiring a \$600,000 grant to remediate flooding from Logan Creek; and spearheading a movement placing a ballot referendum for the citizens of Bethel Park to establish permanent, substantial funding for the Bethel Park Fire Stations; and

WHEREAS, responding to the urgent needs of the Bethel Park residents who were hit hard by the flooding, **Mr. Moury** personally coordinated the delivery and distribution of hundreds of cleaning supply kits donated by the Salvation Army to those in need throughout the community. **Mr. Moury** also went door to door distributing essential kits to help residents remove bacteria and prevent mold growth in their homes; and

WHEREAS, several days after the flood, **Mr. Moury** realized that there was an overwhelming need to assist residents in removing damaged and contaminated furniture, carpet, and drywall. **Mr. Moury** gathered a group of volunteers to visit affected residents and remove damaged items.
