Whereas, the County Council of Allegheny County ("**Council**") deems it advisable to acquire certain property located within the parcel more fully described in **Section 3** hereinbelow for the purpose of reconstructing Campbell's Run Bridge No. 6 carrying Campbell's Run Road over Campbell's Run east of Keiner's Lane in the Township of Robinson and the Township of Collier (the "**Project**"); and

Whereas, the Project has been depicted in the Right-of-Way Drawings, which were recorded on April 21, 2020 in the Allegheny County Department of Real Estate in Plans - Miscellaneous Volume 183, Page 37; and

Whereas, in accordance with Section 701.02 of the Administrative Code of Allegheny County, the County Manager authorized the Public Works and Law Departments to clear the right-of-way for the Project by his Executive Action No. 7239-19 approved December 24, 2019, and as amended by his Executive Action No. 5909-20 approved June 15, 2020; and

Whereas, the Department of Public Works, through its employees and through its consultant, Interstate Acquisition Service, has made good faith efforts to amicably acquire the property hereafter described, but the

Whereas, due to the urgent need to carry out the Project to protect the public and secure funding, it is necessary to authorize the acquisition of the property hereafter described through the use of eminent domain following exhaustion of good faith efforts to amicably acquire said property; and

Whereas, Council deems it advisable to acquire by condemnation a portion of the property herein described and as depicted on the drawing attached and marked “Exhibit A” for use as a permanent right-of-way, a temporary construction easement and a substitute right-of-way needed for the Project; and

Whereas, the Project constitutes a valid public purpose serving the interests of the residents of the County of Allegheny.
