An ordinance of the County of Allegheny, Commonwealth of Pennsylvania, amending Article 209 of the Administrative Code of Allegheny County, entitled “Office of Property Assessments,” §5-209.05, entitled “Chief Assessment Officer, duties and responsibilities,” in order to establish a mechanism for ensuring continuity in the Chief Assessment Officer position.

Whereas, the Administrative Code of Allegheny County, Article 209, specifically establishes duties relating to property assessments that must be performed by a designated Chief Assessment Officer (see, e.g., §5-209.01 and §5-209.05); and

Whereas, in addition, Article 209 (specifically §5-209.05 and §5-209.06) create minimum qualifications and professional requirements for any individual to hold the Chief Assessment Officer position; and

Whereas, Section 5-209.05 also establishes the process by which the County Manager may hire a Chief Assessment Officer, and requires that the Manager’s choice of Chief Assessment Officer be unanimously approved by the “Property Assessment Oversight Board” which no longer exists; and

Whereas, the Council’s Special Committee on Assessment Practices, in reviewing the *Gioffre v. Allegheny County* litigation, has repeatedly noted that the County was without a Chief Assessment Officer meeting the qualifications established by the Administrative Code for nearly a full decade; and

Whereas, according to credible testimony presented to the Special Committee and in the Committee’s own judgment, at least some of the issues that occasioned the *Gioffre* litigation could have been abated (if not outright avoided) had a qualified Chief Assessment Officer been in place; and

Whereas, also according to credible testimony presented to the Special Committee and in the Committee’s own judgment, in order to be fully effective in impartially and uniformly applying assessment standards that directly impact the County’s taxpayers, the Chief Assessment Officer should be independent and free of any political or other individual influence as he or she discharges their duties; and

Whereas, it is accordingly the desire of Council to provide a mechanism to ensure both continuity in and the independence of the Chief Assessment Officer;

The Council of the County of Allegheny hereby enacts as follows:
